THE present work on the Templarism of Pennsylvania is purely historical; collected and arranged from scattered memorials and authentic papers, which from time to time were committed to and collected by the Author, from many worthy Sir Knights, who feel that Pennsylvania should be honored as the Keystone of the Templar Arch.

The lapse of time—the decease of the Sir Knights who inaugurated the Orders of Knighthood in this State—the destruction of the minutes by fire and the persecuting Spirit of Anti-masonry, were the originating causes which led to the destruction of many valuable papers; which, if now in existence, would explain and demonstrate those *essentials*, in which we are now in doubt and perplexity.

Every craftsman in the exercise of his particular art provides himself with the proper implements, necessary to carry to perfection the object he desires to attain—and however anxious I may feel, to place myself in the same position, the causes I have stated, prevent me from procuring the full basis upon which to erect a superstructure worthy of the Knighthood of Pennsylvania. It is my ardent desire however, that the descendants of those noble Sir Knights who have been enrolled under our Banners and whose names appear on these pages, and who may have in their possession any documents, pamphlets, diplomas, etc., etc., on the subject of Knighthood, will IMMEDIATELY forward the same to the Author, so that in the next edition of this work the Templarism of Pennsylvania may be perfected and finished. The Right Eminent Sir Benjamin Parke, Grand Commander of the Grand Commandery of Penn-

sylvania, in his annual address truly and prophetically said, that "when the history of Knighthood in the United States should be written, PENNSYLVANIA KNIGHTHOOD, like Pennsylvania Masonry, will stand the GRANDEST, the FIRMEST, if not the LOFTEST column in the Union."

With the kindest feelings towards all our Sister Grand Com-manderies—with the highest respect for those ancient Grand Encampments who labored for the introduction of Knight-hood into their respective States—and who afterwards unitedly formed a general Grand body—we have the highest respect, esteem and veneration—and would not detract from their merits, in their noble efforts, to preserve and perpetuate Templarism. The work of their Fathers is worthy of all commendation, and they would be recreant to their duties as Templars did they not guard their altars and their fame with the most religious attachment and love. But in their zeal, they must not forget to honor the State of Pennsylvania, who by the organization of the FIRST Grand Encampment of Pennsylvania, breathed into Knighthood the breath of life, MAY 12, 1797—and in the infancy of the United States, arose to manhood. Although she bears upon her brow the manhood of seventy years—yet she has not the marks of old age, nor signs of decay, but all the vigor of youth; pressing forward to the attainment of those high and holy principles for which our Fathers inaugurated the Orders of Christian Knighthood—the God-like principles of defending innocent maidens—helpless orphans—destitute widows and the Christian Religion. In these high and holy efforts, to preserve the peace, purity and perpetuity of Christian Knighthood may the Sir Knights of Pennsylvania and those of our Sister jurisdiction be pre-eminently successful.

INTRODUCTION.

THE first legitimate Encampments wherein the Order of the Temple was conferred, required two essential qualifications—*first* that the candidate had previously received the degrees of Freemasonry—*secondly* that he should present with his application a Royal Arch certificate, duly attested.

Many reasons have been assigned why these prerequisites were added. Among the many conflicting reasons given—we add those most generally adopted. These qualifications were added either out of gratitude to the Masonic fraternity to whom the Templars had been greatly indebted for protection in times of dire necessity—or because, secret societies were prohibited by parliamentary enactments, and the Encampments sought shelter under the Masonic Order as a higher grade of Freemasons. For these reasons we may conclude that Templarism was engrafted on the original system of Freemasonry.

Nearly half a century since an address on the interesting question of the incorporation of Knighthood with Freemasonry, was delivered before Boyle Commandery No. 242 of Roscommon, Ireland—and as but very few Sir Knights have access to so valuable a document—I give an extract therefrom, to demonstrate this Union.

Of the many historical records which treat of Freemasonry those which are considered genuine and bear inherent evidence of authenticity, fix the date of the *first connection* of Knights Templar with the Masonic fraternity at the middle of the twelfth century. It is unnecessary to refer to the history of Freemasonry in remote ages—it is sufficient for the present purpose to state that it can be collected from very creditable

sources of information on the subject, that Freemasonry which had declined for some time previous to the reign of Edward the Confessor began to flourish under the immediate patronage of that monarch—and thence received the countenance and support of succeeding Sovereigns—and we find that in the time of Henry II. Gilbert de Clare, Earl of Pembroke, esteemed it an honor to hold the office of PRESIDENT of the Society of Freemasons as it was then named.

It is recorded that in this reign Knights Templar were *first initiated* into the mysteries of Freemasonry, from which period they gave it their patronage, and the Grand Master of the Temple was appointed to superintend the Lodges, by which appointment pre-eminence was confined to the Orders of Knighthood, over the Society of Freemasons. By this junction of the two Orders, Freemasonry assumed a more important character and higher position in the eyes of the world and continued to increase in general estimation down to the reign of Richard I. It is generally believed that it was at this period that the first connection was formally established with a *Masonic Lodge* and the *Knights Templar*. Before that event, individual Knights were initiated into Masonic mysteries and patronized the Society of Freemasons, but subsequently and after the suppression of the Order and their dispersion throughout Christendom, and after they had regained stability and freedom from persecution, this Order of Knighthood was conferred exclusively on those who had previously passed through the higher degrees of Freemasonry.

It does not appear however that the *Knights of Malta* joined the Masonic Society until the close of the fourteenth century, and at that time the two Orders of Chivalry, that of *St. John* and the *Templars* had been united and have continued in unbroken union to the present day.

It is important to notice that at the time the Templars and Freemasons became an associated body, the Knights Templar as an Order had no authority over the Grand Master of Freemasonry as such—nor had that officer in his capacity as head and President of the Grand Lodge of Freemasons any power to give Laws to the Knights Templar. We could neither grant a Warrant to hold an Encampment, nor prohibit the

installation of a candidate chosen and approved of by the Knights—neither had the Grand Master or Commander and Councils of the Order receiving this privilege, independent of any constraint by the superintendent of Freemasonry; for it must be held in mind, that at this early period of incorporation, the offices of Grand Master of Freemasons and Grand Master of the Order of Knighthood, were separate and distinct, as is found to be the case frequently at this day, nor is there any reason why these two offices should be necessarily united in the same person.

This state of friendly and mutual relationship between these two institutions continued for a long period, and we in vain look for any authenticated works of Masonic proceedings which show the precise time when the Order of Knights Templar, as now established and recognized in Ireland, placed themselves under the authority of the Grand Lodge of this part of the United Kingdom. But we have the fact, an admitted and indisputable fact, that almost every Lodge in Ireland has for a long series of years *held Encampments*—installed Knights—granted certificates—walked in public processions—displayed the Banner of the Order.

The only law which regulated their proceedings and which was universally binding and universally acknowledged was that “no Knights Templar Encampment or Royal Arch Chapter could be opened unless by members of a Lodge who held a Warrant of the *third* or Master Mason’s degree of Freemasonry under the Grand Lodge of Ireland.”

The Grand Lodge of Ireland held an Encampment in Dublin in 1818, at which delegates from several lodges attended for the purpose of taking the matter (Freemasonry and Knighthood) into consideration. The result of this meeting was the adoption of a resolution that “in future no Encampment could be considered legal, nor any Knight subsequently admitted and recognized as a member of the Order unless such Encampment was held under a *Warrant from the Grand Lodge.*”

Hence in Ireland the whole Masonic body is under one head—a Chapter must have a Lodge attached to it—and an Encampment, both a Chapter and Lodge.

Sir W. J. B. McLeod Moore, Provincial Grand Commander of the Grand Conclave of Canada—who is well versed in Masonic literature—and who received his Lodge and Chapter degrees forty years since under the warrant of Lodge, 333, of Aberdeen, Scotland—and the Encampment degrees twenty-four years since under the warrant of Lodge, 242, at Roscommon, Boyle County, Ireland—thus gives his views upon the Templarism of Scotland.

The present inquiry is to endeavor to show *when*, and explain the *cause* of this order of Knights Templar becoming amalgamated with the Masonic body and its peculiar rites transmitted and promulgated by them. On considering the various surmises and assertions of different authors who have pronounced upon the authenticity of each of their peculiar views the *only one* that appears the most feasible and which bears evidence of genuineness, is that the ancient order (of Templars) after their dispersion, were alone preserved from total annihilation by a remnant of the Knights seeking refuge in SCOTLAND.

History tells us that in the early part of the fourteenth century, by the persecution of Philip the Fair of France, the Order was suppressed and their possessions confiscated throughout Europe—as also in England by Edward II. at the instance of the Pope. But it is well authenticated that many of the Knights retired to Scotland, then a separate kingdom, where they obtained lands and revenues, and with the Knights Hospitalers of St. John of Jerusalem, afterwards called *Knights of Malta*, lived together on amicable terms. In that kingdom they continued to reside unmolested, and there is every reason to believe, became in some measure associated with the Masonic fraternity which was patronized by the Kings of Scotland.

In England, during the long disturbed state of the kingdom, Masonry had lain dormant, but found its way back from Scotland, where it had continued uninterrupted under the hereditary guardianship of Royalty. We have no old or authentic documents to show when the present Masonic Templar Order or descendants of “Templars of the Crusaders” was first formed in England. But we do know, that about the year 1560, the Preceptor of the combined Orders of the Hospitalers

and the Temple in Scotland, who had with several of the Knights, Esquires, and serving Brethren, joined the Reformation and became Presbyterians, resigned to the Crown the whole of the property belonging to the Hospitalers and the Templars, and subsequently connected themselves with the Freemasons' Lodge, and being under no governing head, initiated whom they pleased.

From this the system of Masonic Templarism took its origin, spreading itself throughout England, Ireland, and finally into North America, forming separate and independent Chapters of the Order, when sufficient members could be assembled, never less, however, than *the original number of the founders*, viz.: NINE.

These Chapters became known by the name of *Encampments of Masonic Knights Templar and Knights of Malta*. It is much to be regretted that soon afterwards the Ancient Constitutions, Rituals, and Titles of the Officers underwent, in many particulars, various changes, much of Masonic-like matter having been introduced, and we find at the present time, that the different jurisdictions do not practice the same ceremonies alike.

But to return to the Reformation. When the Hospital and Temple lands were resigned to the Crown, the Templars who still adhered to the Roman Catholic Religion placed themselves under a new Grand Master, David Seton, and continued to preserve and transmit the *Ancient Ceremonies* and Principles of the Order, and although they subsequently admitted Protestants, it continued in the hands of the High Church Party until the close of the last century. Viscount Dundee, known as the famous "Claverhouse," held the office of Grand Master. He was killed at the battle of Killecrankie, with the Grand Cross of the Order on his person. Prince Charles Edward Stuart, the Pretender, was installed at Holyrood, Edinburgh, September 24, 1745, and became Grand Master. At his death, Oliphant, of Bachiltar, was elected Grand Master, who died in 1795. Alexander Deucher, of Edinburgh, succeeded, and in 1811 His Royal Highness, the Duke of Kent, became Protector of the Order, and appointed Deucher Grand Master for life. By these measures the Order was rescued from insignifi-

cance, and it continued to flourish in different parts of the British Dominion holding its Conclave. In 1836, Grand Master Deucher resigned, when Admiral Sir David Milne, K. C. B., was elected. The present Grand Master, his Grace, the Duke of Athol, now reigns over the Order in Scotland, both Masonic and Chivalric; and although a distinction is made between the two classes, the first is open to persons in general of the necessary qualifications, but to enter the latter requires the applicant to be a *Royal Arch Mason*.

In England, the Blue Lodges have long since ceased to permit their Charters to be used for Encampments. In June, 1791, the Masonic Knights Templar being animated by the flourishing state of Symbolic Masonry under the protection of his Royal Highness, the Prince of Wales, (afterwards King George IV.), with a desire to revive their ancient Royal Religious and Military Order, they confederated and elected Brother and Knight Companion, Thomas Dunckerly, of Hampton Court Palace, in the County of Middlesex, Grand Master of the Confraternity, under the patronage of His Royal Highness, Prince Edward, (afterwards Duke of Kent), and on the 24th of June, 1791, a Grand and Royal Conclave was held, by which the ANCIENT STATUTES of the Order were revived, re-enacted and unanimously approved.

On the 10th day of April, 1809, a Grand and Royal Conclave was held according to ancient form under the sanction of H. R. H., the Duke of Kent, Royal Grand Patron, in the presence of the Most Eminent Grand Master, Walter Rodwell Wright, where the Statutes of the Order (passed June 24, 1791) were revised, and with sundry alterations, confirmed.

On the 6th of August, 1812, H. R. H., the Duke of Sussex, was installed Grand Master of the Order, and gave these revised Statutes his sanction and approval. On the demise of the Duke of Sussex, Sir Knight Colonel Kennys Tynte, of Halswell, Somersetshire, was installed Grand Master on the 3d of April, 1846, who gave his sanction to another revision of the Statutes. After the death of Col. Tynte, in the autumn of 1861, Sir William Stuart, of Oldenham Abbey, County of Kent, was on the 10th of May, 1862, installed Most Eminent Grand Master of the Masonic Order of the Temple, and

Grand Master of Malta, in England and Wales, and the Colonial dependencies of the British Crown.

The history of the Templar Order may be thus summarily expressed. It was established in 1118—suppressed in 1312 by the cruelty and avarice of Clement the V., and Philip the Fair, King of France—after which the Templars and Knights Hospitalers of St. John of Jerusalem were incorporated into one body. In 1291, they took up their residence in Cyprus, and afterwards went to Rhodes and took the name of *Knights of Rhodes*. In 1530, the Emperor Charles V., of Spain, conferred on them the Island of Malta—hence they received the name of *Knights of Malta of the Order of St. John of Jerusalem*. When residing on the Island of Malta, they established their Preceptories throughout Europe—as the history of Ireland, Scotland, and England, above given, amply and fully demonstrate—and from all of which three Grand Conclaves, the Knights of Pennsylvania may be said to trace their origin. The founders of our Order emigrated to America for the enjoyment of civil and religious liberty—and although they engaged in a war of seven years to accomplish their object, they triumphed and established the principles of Liberty, Fraternity, and Equality. These principles being acknowledged, and a Constitution adopted, our Fathers commenced the work of resuscitating those institutions, whose principles they loved and honored—among which was the Ancient and Honorable Society of Free and Accepted Masons—with authority to confer the Orders of Knighthood. Masonic Templarism having been first established in Pennsylvania by the first Grand Encampment which met in Philadelphia on the 12th day of May, 1797—is entitled, therefore, to the high honor of having introduced the orders of Christian Knighthood into the United States—deriving her work from the English, Scottish, and Irish Rituals, the two former of which use the same Ritual since 1791, a copy of which is now in my possession, and clearly proves that the present Ritual as used is one manufactured from several rites. We look forward with *hope* to that day when the present Ritual will give place to the one used by our Fathers, pre-eminently teaching the Christianity of the New Testament and discarding the Red

Cross degree, as not only an interpolation, but having been surreptitiously taken from the Ineffable degrees of the Scottish Rite. In the name of Christianity we protest against the Red Cross being acknowledged as the first degree of the Order of Christian Knighthood.

Pennsylvania Templars, as well as those of every State of this widely extended Union can now trace their respective origin from the sketches embodied in these introductory remarks, intended to prove the regular descent from a common origin, an eternal union with Free Masonry, and having only in view the propagation and dissemination of the principles of the Gospel of the Redeemer of Mankind.

We have stated that it required a candidate for the Knights Templar Order to be a Royal Arch Mason. As a matter of curiosity, yet worthy of preservation, I shall give extracts from Templar certificates, issued at various times, from 1791 to 1851, on this interesting subject.

We, the Captain-General, etc., etc., of the General Assembly of Knights Templar and Knights of Malta, do certify that A. B. was by us dubbed a Knight of the Most Holy Invincible and Magnanimous Order of Knights Templar, the true and faithful Soldier of Jesus Christ, as also of the Order of St. John of Jerusalem, now Knights of Malta, etc., etc., held at Newry, under the sanction of Lodge 706, on the Registry of Ireland, *May 11, 1791.*

We, the Captain-General, etc., etc., of the General Assembly of Sir Knights Templar and Knights of Malta, held under the sanction of Lodge 835, at Douglas Bridge, County of Tyrone, on Registry of Ireland, do certify that A. B. was dubbed a Knight of that Most Holy, Glorious, and Magnanimous Order of Sir Knights Templar and Knights of Malta, etc., etc., *June 9, 1798.*

March 13, 1811. We, the Grand Master, Senior Brethren, etc., etc., of this Magnanimous and Invincible Order of High Knights Templar and Knights of Malta, of Lodge 401, held in Monaghan, and on the Registry of Ireland, dedicated to Moses and King Solomon in the Ancient and Sacred Law, and to that faithful Soldier, St. John of Jerusalem, in the Gospel dispensation, do certify that A. B. was regularly dubbed, admitted, initiated, and confirmed in the rights, ceremonies, and mysteries of that Most Holy, Noble, and Christian Order of a High Knight Templar, (the true and faithful Soldier of Jesus Christ), also Knight of Malta, etc.

September 4, 1818. We, the High Priest, Captain-General and Grand Master of a Royal Arch and Knights Templar Encampment, held (this day) under the sanction of Lodge 730, in the County of Londonderry, certifies that A. B. having passed the Chair, and having been initiated into the degrees of a Royal Arch, Excellent and Superexcellent Mason, and consequently was afterwards by us dubbed a Knight of the Most Ancient and Honorable Order of Sir Knights Templar, Knights of Malta, or of Jerusalem, also a Knight of the Ark and Mark, an Elesian Knight, Knight of the Red Cross, and also the Mediterranean Pass, etc.

June 11, 1819. The Grand Master, Deputy Grand Master, and Captain-General of the Magnanimous and Invincible Order of High Knights Templar and of Malta, held under the sanction of Lodge 446, in the Sixty-eighth Light Infantry Regiment, and on the Registry of ENGLAND, certifies that A. B. was admitted, initiated, and confirmed in all the rights, titles, ceremonies, and mysteries of the Most Noble and Christian Order of High Knights Templar and of Malta.

May 3, 1851. We, the Captain-General of the General Assembly of Knights Templar, dedicated to Moses and King Solomon in the Ancient Law and to the Holy St. John of Jerusalem, in the Gospel dispensation, held under the sanction of Lodge 194, County of Down, and Registry of Ireland, was

by us dubbed a Knight of the Most Holy, Glorious and Magnanimous, and Invincible Order of Knights Templar and Knights of Malta, of Masonry, 5851, of Excellent, Super-excellent, and Royal Arch Masonry, 3351, and of Knights Templar, 751.

To these forms of certificates used in Ireland and England, I add the one used by Encampment No. 1, of Philadelphia. This certificate is a copper-plate engraving 16 by 20 inches, in which are two columns, surmounted by an Arch, and on the arch the motto "*In hoc signo vinces.*" On the keystone of the arch is the ark with the two cherubim, and above all, the *All Seeing Eye*. The top of the left hand column is surmounted with the sun, level, trowel, and gauge; on the right column the moon and stars, with the square, compasses, and setting maul. Under the arch are tents and a triangular table with lights thereupon, while seven steps are placed between the two columns. The whole design is emblematical of the union between Masonry and Knighthood.

The certificate reads thus:

We, the Chiefs of the Encampment No. 1, Philadelphia, of the Most Sublime and Ancient Order of Knights Templar, Free and Accepted Masters of Masonry, do hereby certify that our well-beloved Brother, A. B., is with us a regular registered Knight Templar and Knight of Malta, and that he has valiantly supported and maintained the great principles of our Order, during his stay amongst us, to our great satisfaction. Therefore, we do most cordially recommend him to all the sublime and respectable Encampments in the Universe; hoping they will cheer a Pilgrim on his way; and that this certificate may not be of service to any other person, we have caused our said Brother to set his name adjacent to the seal *Ne Varietur*.

In testimony of which, being assembled, we have delivered unto him this certificate, under our hand and the seal of our Encampment, No. 1, Philadelphia, June 24, 1794, at the East End of the Universe, under the azure arch at high noon.

Attest:

G. H., *Recorder*.

A. B., E. G. M.

C. D., E. G.

E. F., E. C. G.

To the questions asked, why are these certificates, issued in Ireland, England and America inserted? I answer, it is another link in the chain of argument to elucidate the fact that the present degree of Knights of the Red Cross never had any connection with the Templar Order and Knights of Malta of St. John; but that it is an interpolation unworthy of the high character of the Christian Orders of Knighthood; an interpolation which should be frowned upon by all Sir Knights who revere the Cross and are looking forward to the Crown;—an interpolation which tells us of broken vows, violated faith, and perjured principles.

KNIGHTS TEMPLAR.

APPOINTMENT OF HISTORIOGRAPHER

AND THE ACTION OF THE GRAND COMMANDERY OF THE
STATE OF PENNSYLVANIA THEREUPON.

IN the Annual Address of June 22, 1860, of the R. E. Sir William Henry Allen, Grand Commander of the Grand Commandery of Knights Templar of Pennsylvania, he expressed his sentiments in these words :

Impressed with the importance of collecting and preserving the history of Masonic Knighthood in Pennsylvania, I appointed in August last (1859) our Grand Recorder, Sir Alfred Creigh, HISTORIOGRAPHER of the Grand Commandery of this State, and sent him a COMMISSION, handsomely engrossed on parchment. The ability and zeal of this officer have been illustrated by his activity in collecting and arranging a great number of documentary and traditional memorials which will prove of much interest and value to the Order. All this has been done, without any other compensation than the pleasure which these researches have afforded him and the hope of contributing to the honor of Pennsylvania Knighthood.

The Commission issued by the R. E. Grand Commander Allen reads as follows :

' COMMISSION.

OFFICE OF THE RIGHT EMINENT GRAND COMMANDER
OF THE GRAND COMMANDERY OF KNIGHTS TEMPLAR
OF THE STATE OF PENNSYLVANIA.

*To all true and courteous Knights, to whom these Presents
may come, Greeting:—*

HEALTH, UNION, FRATERNITY.

Whereas, It is the duty and interest of the Knights of Pennsylvania, to collect and preserve the history of the Order.

And whereas, It is believed that much valuable information may be gathered from the records of the First Grand Encampment of Knights Templar in the United States, which was organized in the City of Philadelphia on the 12th day of May, in the year of our Lord one thousand seven hundred and ninety-seven.

And whereas, It is desirable to commission a learned and distinguished Sir Knight to trace the history of Masonic Knighthood in the State of Pennsylvania, and to collect, arrange, and preserve the written and printed memorials thereof, and promoting the good, well-being, and perpetuation of Templar Masonry.

Therefore, Now know ye, that I, WILLIAM HENRY ALLEN, Right Eminent Grand Commander of the Grand Commandery of Knights Templar of the State of Pennsylvania, by virtue of the authority in me vested by the Constitution, do hereby appoint our illustrious Knight

SIR ALFRED CREIGH,

Eminent Grand Recorder of our Grand Commandery aforesaid, to the honorable and responsible office of

HISTORIOGRAPHER

of the Grand Commandery of Knights Templar of the

State of Pennsylvania, commending him to the knightly regard and courteous attention of all the Subordinate Commanderies under our jurisdiction, and of all true and magnanimous Sir Knights as worthy of their confidence; and courteously recommend each and every of them to furnish him with all such written or printed documents as will aid him in the discharge of his duties as HISTORIOGRAPHER OF PENNSYLVANIA KNIGHTHOOD.

Given under my hand and the seal of our Grand Commandery at Philadelphia, this twenty-fifth day of August, in the year of our Lord one thousand eight hundred and fifty-nine, and of our Order seven hundred and forty-one.

∴ WILLIAM HENRY ALLEN,
R. E. Grand Commander.

On the 23d of June, 1860, the Historiographer made a partial report of his labors, with the view of eliciting information, and of procuring the written and printed memorials of the Knighthood of Pennsylvania.

The Grand Commandery feeling a deep interest in her own history thus far reported on, on the recommendation of Sir Wm. Lilly, passed a resolution, That a vote of thanks be and the same is hereby unanimously tendered to E. Sir Alfred Creigh, for his deep research, untiring zeal, and unwearied perseverance, in collecting and arranging the history of Knighthood in this State since May 12, 1797. The partial report made at that time was referred to the Committee on the doings of the Grand Officers, consisting of Sir Knights Edmund H. Turner, Thomas D. Wattson, and H. D. Lowe.

The Committee reported that they approved most cordially both the propriety of making such an appointment and the selection of Sir Alfred Creigh for that position,

and recommended that when the work now in the course of preparation by him shall be published, this Grand Commandery shall purchase such a number of copies as shall be alike honorable to the Grand Commandery, and due to the zeal of the author.

The civil war raging—and many of our active Sir Knights engaged in the defense of Constitutional Liberty, it was deemed prudent, that no further action should be taken by the Grand Commandery, until peace should return. Consequently on the 14th of June, 1864, the question of the History of Knights Templar in Pennsylvania was again brought before the Grand Commandery by the R. E. Sir H. Stanley Goodwin, Grand Commander. In his Annual Address he says :

During the year 1859, the very Eminent Sir Knight Alfred Creigh, LL. D., our Grand Recorder, was appointed Historiographer of this Grand Commandery. This appointment was a very important one, and in my opinion, very judiciously made; for the Eminent Sir Knight has for very many years, as you all are aware, devoted much of his time and attention to the history of Masonry, and of our order in this State. I would suggest, if it meets your views, that he be called on to report the progress he has made in the work assigned him, and that you take such action as may seem to you right and proper to rescue our early history from oblivion.

In reply to this suggestion and the wish of the Grand Commandery as expressed through the Committee on the Doings of the Grand Officers, the Historiographer submitted the following report :—

*Officers and Members of the Grand Commandery of
Pennsylvania :*

In the Annual Address of 1864, of the R. E. Sir H. Stanley Goodwin, Grand Commander, reference was made to the labors

of the Historiographer, recommending that a report be made and measures taken, to rescue from oblivion the History of Knights Templar in this State. These views were also concurred in by the Committee to whom was referred the address of Grand Commander Goodwin. To comply, therefore, with the universal desire expressed, not only by your R. E. Grand Commander, your Committee, and the Sir Knights of this and other jurisdictions, I avail myself of the present opportunity to report how far I have progressed in the laborious duties assigned me.

Six years since, I received a commission from the then R. E. Sir Wm. H. Allen, LL. D., Grand Commander, to write the History of Knights Templar in Pennsylvania, since which period I have been collecting and arranging documentary and traditional memorials, which I have procured from various sources, from the year 1794, and three years prior to the organization of the first Grand Encampment in the United States until the present time.

I have classified the whole into four divisions, embracing—1st. The introduction of Knighthood into Pennsylvania, from the year 1794 to 1797, when the degrees were conferred under a Blue Lodge Warrant. 2d. The history of the first Grand Encampment organized May 12th, 1797, and its subordinates. 3d. The History of the Pennsylvania Grand Encampment, and its Subordinates in New York City; Wilmington, Delaware, and Baltimore, Maryland, instituted February 16, 1814, and—4th. The full history of the Third, or present Grand Encampment or Commandery, constituted April 14, 1854, with the history of its Subordinates, which will necessarily embrace the Union of the two Grand Encampments of this State, which was consummated February 12, 1857. To these divisions will be added many interesting Templar facts and documents, which can only be obtained from the *manuscripts* now in my possession, procured from the Grand Conclave of England, through Sir Kt. Col. W. J. B. Moore, Prov. Gr. Com. of Canada.

In an examination of the whole subject, the *Rituals of the Order* were also examined into—and from information and authentic copies now in my possession, and subject to the inspection of this Grand Commandery, I am free to confess that many radical changes have been made, which destroys the beauty of the rituals and the teachings of Templarism. These rituals date as far back as 1794, when Templarism was introduced into Pennsylvania.

These innovations were introduced by Thos. S. Webb, who received these degrees in Philadelphia prior to 1802, and is styled the Father of American Masonry. By what authority he changed the work and ritual, we have not the means of knowing, except to build up for himself the reputation of a learned Mason. We desire not to detract from his great Masonic abilities, but we do contend that as Pennsylvania gave birth to the *first* Grand Encampment in the United States, deriving her work, her ritual, and her teachings from the Grand Conclave of England, we should be the first to *put ourselves right* upon the record, and endeavor by her influence to re-introduce the work in its original purity. It would not be proper at this time, in a document prepared for publication, to enumerate the discrepancies and errors—suffice it to say, that the ritual as now used for the Knights of Malta, was prepared in Massachusetts a few years since, and from what we can learn from distinguished Templars, was only intended to fill the vacuum of historical and scriptural truths, until we could come in possession of the true and original work. I have procured a certified copy, through the Grand Registrar of the Grand Conclave of England and Wales, which, when perused, will clearly define the innovations, and make plain our teachings in accordance with truth, the Scriptures, and Templar history.

Again: In England the degree of Past Eminent Commander is conferred as an honorary distinction, like our degrees of P. M., P. H. P., etc., which is beautiful, historical, and worthy of being incorporated among our regular degrees as a reward of merit.

The task, however laborious, is not yet completed. Before giving it to the Templar world, an examination should be had among the archives of the papers of the R. W. Grand Lodge of Pennsylvania, and other institutions—and for the accomplishment of this end, a resolution should be passed, asking permission of the Grand Lodge for this purpose; also, a seal should be purchased for the use of the Historiographer, which usually appertains to the office, so that the correspondence may have more official authority in communicating with other parties for the benefit of Templars and procuring historical and Templar facts.

The Grand Commandery, through their Committee, Sir Knights Edmund H. Turner, Rev. J. R. Dimm, and

J. M. Scott, offered the following resolution, which was unanimously adopted :

That this Grand Commandery owes a debt of gratitude to the Eminent Sir Alfred Creigh for the pre-eminent success with which he, by great exertion, is rescuing from oblivion, the records of Templarism in Pennsylvania, and therefore we offer the following resolution: That this Grand Commandery will co-operate with Sir Knight Alfred Creigh in his labors, so far as it may be in our power to aid him in his distinguished work.

On the 12th day of June, 1866, the Historiographer made his final report to the R. E. Grand Commandery of Knights Templar of Pennsylvania.

To the R. E. Grand Commander, Officers and Sir Knights, of the Grand Commandery of Knights Templar of Pennsylvania :

The history of Templarism in Pennsylvania is one of peculiar interest to every Sir Knight of the Order, whether enrolled under *our* Banner—or waging war in sister jurisdictions in defence of innocent maidens, helpless orphans, destitute widows, and the Christian Religion. To Pennsylvania, and *Pennsylvania alone*, are we indebted for the FIRST Grand Encampment which was ever constituted in the United States; she therefore has no competitor for the honor, the glory, and the immortality which is emblazoned upon her Templar history, and the 12th *day of May*, 1797, when the Convention met in Philadelphia, composed of delegates from Nos. 1 and 2 of Philadelphia, No. 3 of Harrisburg, and No. 4 of Carlisle, (whose respective organizations took place from 1793 to 1797), should be held as sacred as the 4th of July, 1776, the *one* having given birth to the Orders of Christian Knighthood, and the other to our political existence. It required sober thought, sound judgment, mature reflection, discriminating mind, and far seeing perception in the Sir Knights composing that Convention, as they were about to inaugurate a system of Christian Ethics, which would have an influence for weal or for woe upon the dissemination of the principles of Christian Knighthood. The idea was happily conceived, and the Sir Knights who

risked their Masonic and Templar reputation upon its success, have rendered the name of Pennsylvania eternal in the annals of Templarism. Let us, therefore, as the descendants of an honored and illustrious ancestry, render that day immortal by printing upon all documents issued by this Grand body the Latin words *Anno Equitum Ordinis Pennsylvaniae*, instead of the words *Anno Ordinis*, which is a general term and applies to any order or religious association—hence it would be written A. E. O. P. 69. Other State Grand Commanderies date their origin from the constituting of their first Grand body, and to me it appears reasonable and just that we should do the same, so that instead of issuing to the Templar world our present Annual Proceedings, with the 13th Annual Conclave thereupon, it should read the 69th. *Justice* to the Founders of our Order, *Right*, sanctified by usage, nay, *Gratitude*, demands the immediate action of this Grand Body, upon this important question.

In order that we may have some light upon a question of so much importance, it shall be my pleasure as well as my duty to demonstrate to you that the fire of Templarism, which was lighted upon our Altar in Philadelphia as early as February 14, 1794, which is the oldest record in her possession, has never been extinguished, not even in the persecuting days of Antimasonry, although, it is true, the light shone dimly, and its rays were occasionally obscured, yet amid all the unhallowed and unholy convulsions of the human heart, baptized as they were with the feelings of jealousy, envy, hatred, religious and political bigotry, yet when our altars were assailed, the principles of our Order were kept pure in faithful breasts, and the light of the altar erected in their individual Templar hearts was preserved intact—and after the unholy fires of persecution had ceased, the Templarism of Pennsylvania came forth conservative in its character, pure in its development, undestroyed and unsuppressed. To demonstrate this, let facts be submitted for your inspection and approval.

It is beyond dispute, and settled by all masonic writers as well as antimasonic historians that the *first* Grand Encampment of Knights Templar of the United States was instituted May 12, 1797, in Philadelphia, although the Constitution was not adopted until the 19th of the same month. This Grand Body at its organization had four Subordinates; Nos. 1 and 2 in Philadelphia, No. 3 in Harrisburg, and No. 4, in Carlisle.

In 1860, Colonel John Johnston, then residing in Cincinnati,

but lately deceased, wrote me some time since that in 1797 he was admitted to the K. T. degree in Carlisle, in No. 4, and that the Commander's name was Robert Leyburn, and that in 1799 he removed to Philadelphia, and visited the Encampments in that city. This testimony therefore establishes the existence of these four Subordinates prior to 1797; but we find from the published By-Laws of Nos. 1 and 2 of Philadelphia, that on the 27th of December, 1812, these two Subordinates united as No. 1, and from this Encampment, and also No. 2 of Pittsburg was formed a second Grand Encampment on the 16th of February, 1814, with the addition of Delegates from Rising Sun Encampment No. 1 of New York, Washington Encampment No. 1 of Wilmington, Delaware, and Baltimore Encampment No. 1 of Baltimore, Maryland. The style of the second Grand Encampment was the "Pennsylvania Grand Encampment with Masonic jurisdiction thereunto belonging." This second Grand Encampment existed until the 10th of June, 1824, or at least its Grand Master Sir Anthony Fannen exercised his authority as such, for on that day he issued a Dispensation to the Officers of St. John's Encampment No. 4, which was instituted June 8, 1819, "to dub and make John E. Schwarz a Sir Knight of our most illustrious Order of Knights Templar." This No. 4 is still in existence, and of which we will treat hereafter more particularly, as being more intimately connected with the Templarism of Pennsylvania than any of our Subordinates.

The original No. 1 of 1794, kept up a complete and unbroken organization until June 13, 1824, although No. 2 was merged into it on December 27, 1812. We now retrace our steps to St. John's No. 4, and we find, that after the Parent body had ceased in 1824, she still continued to exist, recognizing as her superior the source of all masonic authority within our State, the R. W. Grand Lodge of Pennsylvania. It was upon this rock that the delegates of the Pennsylvania Grand Encampment of 1814, and the delegates of the New England States, which assembled in Convention on the 16th of June, 1816, in Philadelphia, split; and the Pennsylvania Grand Encampment charged the other delegates with *seceding* from the Convention, while the New England delegates, (consisting of Sir Knights Webb, Fowle, and Snow), reported that the reasons why Pennsylvania would not enter into the Union for a General Grand Encampment, were: First, "that the Encampments in Pennsylvania avow themselves as being in

subordination to and under the Grand Lodge of Master Masons;" and second, "their unwillingness to the arrangement or order of succession in conferring the degrees," as practiced by the New England States, especially objecting to the Mark and the Excellent Master as unnecessary and not belonging to the system of Masonry." The delegates of the New England States then adjourned to meet on the 20th of June, 1816, in New York, and there formed the present General Grand Encampment of Knights Templar of the United States.

After the disagreement, the Pennsylvania Grand Encampment still preserved her existence until 1824, after which those in other States, which acknowledged her authority, through the antimasonic persecution, ceased to exist, or became members of their State Grand bodies, and thereby recognized the General Grand Encampment of the United States. This was particularly the case with Rising Sun Encampment of New York, which afterwards became Columbia Encampment No. 1, and is still in existence, thereby giving another argument in favor of the light which emanated from our Pennsylvania Templar altar, and which has never yet become extinct.

After the Second Pennsylvania Grand Encampment had ceased in 1824, it was natural, that St. John's Encampment No. 4, (the only one in existence in Pennsylvania), should look up to the R. W. Grand Lodge of Pennsylvania for its countenance and support, and the principles which she maintained in 1797 and 1816 were carried out in 1824, and continued in St. John's No. 4 until February 12, 1857. In May, 1852, St. John's No. 4, Philadelphia No. 5, Union No. 6, and De Molay of Reading, established a Grand Encampment under the authority of the Grand Lodge of Pennsylvania, but the Grand Lodge on the 16th of February, 1857, resolved that they had no authority over the degrees of Knighthood, but that its legitimate sphere was the primitive degrees of ancient Craft Masonry; a union therefore was effected, and both Grand Encampments of Pennsylvania since 1857, acknowledge as their legal head the Grand Encampment of Knights Templar of the United States.

Thus we have demonstrated that from 1794 to 1824, Templarism was preserved in No. 1, and from 1819 to 1847, (the date of the introduction of Templarism into Pennsylvania by the G. G. E. of the United States), St. John's Encampment, No. 4, kept it alive upon its altar, and to this very day we turn our eyes to the

altar of St. John's No. 4, as pilgrims to their shrine at Mecca, consecrated by the teachings of nearly half a century, with Sir Knights jealous and envious of their ancient altar, their landmarks, their glory, their long list of good and true Sir Knights, and the heritage of their fathers. We give these facts to convince the most prejudiced that *beyond the possibility* of a doubt, the position we *first* assumed, that we are entitled to use the phrase A. E. O. P. to all our Templar documents, is both true and consistent. If we are the most ancient in the United States, and who can doubt it? we are certainly entitled to all the honors which antiquity can give us. We detract not from the merits of others, and we trust we have *none* of that spirit within us; but if in the respective organizations of sister Jurisdictions they cannot place upon their brow the mark of manhood, we shall ever treat them as loving and dutiful children, but never, never will we permit any State Grand Encampment to detract from our antiquity or our merits, and build their hopes and their fortune upon our ruins. With all her faults, with all her errors, we love the noble old Keystone State, which has perpetuated Masonry for one hundred and thirty-three years entire and continuous, and Templarism for sixty-nine years unbroken, entire and uninterrupted.

We have been *forced* to make these remarks from the fact that the M. E. Sir William Sewall Gardner, Grand Master of the Grand Encampment of Knights Templar of Massachusetts and Rhode Island, in his address of May 5, 1865, uses the following language:

"We have then for our gratification, not only the fact, which is now universally conceded, that this Grand Encampment (Massachusetts and Rhode Island) is the oldest Grand body of Masonic Knighthood upon this Continent, but also that it has furnished the ritual which is now used in all the bodies, both Grand and Subordinate, in the United States."

I trust, Sir Knights, I am not deviating from my duty as historiographer of this the most ancient Grand body of Knighthood in America, when I say that in all the relations of life, as an accomplished and Christian gentleman, a true and courteous Knight, faithful to his friend and devoted to the interests of his State, Sir W. S. Gardner has no superior. The highest eulogium I can possibly pronounce upon so distinguished a Sir Knight is, that God made him in his own image and endowed him with the highest mental faculties, and we feel honored when we hail him

as our brother; but sometimes State pride, local interests and a desire of immortalizing our own State, warps our better judgment and, unfortunately, we publish our thoughts (intended *only* for our asylums) to the world. By this test let us examine the address and decide whether "the Grand Encampment of Massachusetts and Rhode Island is the oldest Grand Body of Masonic Knighthood in the United States."

The M. E. Gardner says, "On the 6th of May, 1805, Sir Thomas Smith Webb of Providence, Sir Henry Fowle of Boston, Sir Jonathan Gage of Newburyport, with other Templar Masons, assembled in the Masonic Hall at Providence, and *opened* this Grand Encampment,"—eight years after the Pennsylvania Grand Encampment had been opened.

Again, "This Grand Encampment was the germ of Templar Masonry as now organized in the United States," (eleven years after our Grand Encampment), "and the ritual as adopted here, has been taken as the true Templar work throughout the jurisdiction of the Grand Encampment of the United States. I am aware (he adds) that in Pennsylvania there was a Grand Encampment in the early part of this century, and that it professed to confer the Order of the Temple. It is impossible to tell what its ritual was; but there is evidence tending to show that it was entirely different from that taught by this Grand Body."

As Sir Thomas Smith Webb appears to be the moving spirit in this matter, the head and front, the centre and circumference, the Alpha and Omega of this, "the oldest Grand Body of Masonic Knighthood upon this Continent," under what State organization, pray, did he receive his degrees of Knighthood, and where did he vow that he would never permit innovations to be made upon our landmarks, rites, ceremonies, and customs? Let Massachusetts and Rhode Island reply. Sir James Salisbury, of Providence, says: "I am informed that Thomas S. Webb received the *Orders of Knighthood* in Philadelphia;" and the Rev. Paul Dean, in his eulogy on Webb, says: "Brother Webb aided in organizing a Chapter and Encampment in Albany, and the degrees of the York Rite were worked from E. A. through all the degrees of Symbolic, Capitular, and Chivalric Masonry, up to Knight of Malta. But Webb had taken all *these degrees* previous to his removal—he received them in Philadelphia."

Webb, therefore, must have received the degrees in Philadelphia prior to 1802, for in that year we find him at the head of the

St. John's Encampment of Providence, Rhode Island, and *three* years PRIOR to the organization of the Grand Encampment of Massachusetts, which claims to be the oldest Grand Body of Masonic Knighthood on the Continent. Will the learned Sir Knight inform us how and by what authority St. John's Encampment of Providence, Rhode Island, was instituted?

Take the entire history of Knighthood in Pennsylvania, from the 14th of February, 1794, to the present time, the reception of Thomas Smith Webb in Philadelphia prior to 1802, the testimony of Sir James Salsbury and that of Rev. Paul Dean—and it will not do in this enlightened age to endeavor to ignore and blot out the history of Knighthood in Pennsylvania, and upon our ruins erect a Grand Encampment, because, forsooth, it happens to be located at the HUB of the Universe. It will not do to present so naked and bald a proposition, unsupported by facts and reasoning, as the learned Sir Knight would have us believe, and ask us to subscribe to a doctrine and principle at variance with the plainest facts and most reliable historic Masonic truths.

Thus far, with regard to the claim of antiquity of the Grand Encampment of Massachusetts and Rhode Island, whereby we have demonstrated that all honor is due to the Keystone State, not only for its introduction into the United States, but for having preserved upon our Templar altars the fire which was lighted on the 14th of February, 1794, the rays of which have penetrated, through the instrumentality of the Grand Encampment and State Grand Commanderies, into every State of our glorious Union and many of the Territories, destined eventually to extend throughout the length and breadth of America.

With regard to the second assertion, that "the Grand Encampment of Massachusetts and Rhode Island has furnished the *ritual* which is now used in all the bodies, both Grand and Subordinate, within the United States," IS TRUE, and it is equally true that that Prince of impostors, innovations and new fangled theories, not understanding the great and glorious principles of our Order, and on purpose to secure to himself a name not only at the "hub of the Universe," but elsewhere, resorted, in conjunction with Sir Knights Fowle and Snow, to establish Ancient York Masonry as Americanized, which we will demonstrate by New England testimony. Unfortunately for the Ancient Rituals of our Order, they succeeded, but it was at the expense of broken vows, of violated faith, of perjured principles. Do you ask the proof? P. G. Mas-

ter Fowle, in his autobiography, gives an account of a meeting of Webb, Snow, and himself, making a visit to Philadelphia, on 11th of June, 1816, (being appointed delegates,) and met with the Knights Templar of Philadelphia in Convention to effect a coalition of all Grand Encampments in the United States under one general Grand Encampment; but they found the Knights of Philadelphia averse to a coalition, because they were under the control of the *Grand Lodge*, and several of the members were candidates for office in the Grand Lodge, and dare do nothing which would curtail her revenue, lest they should not be elected to office, and as it respected the Orders of Knighthood, they were ignorant as mules. He adds: "Finding them (the Philadelphia Grand Encampment) incorrigible, the committee gave them up and prepared for their return."

Unwilling that so slanderous a document as the autobiography of Sir Snow should go to the Masonic world, as a reflection upon our Templar fathers who have passed into the spirit world, and to preserve their memories in our hearts, for their devotion to our principles and our Order, I am forced to pronounce his declarations as the raving of a garrulous old man, who, jealous of the notoriety of Webb, as well as himself and Sir Snow, wished to place a feather in his own cap, and ask the Masonic world to pronounce them a worthy trio, not in deeds of noble daring, but in the infamy of interpolating the ancient rituals of the Order, and surreptitiously using some of the degrees of the Ancient and Accepted Rite, and from these manufacturing the Order of Knight of the Red Cross. If sacrificing truth, principle and honor could gain for them such a distinction, they have truly earned it. But before we decide, let us investigate the case.

Webb, in his report to the Grand Encampment of Massachusetts and Rhode Island, on the 25th of June, 1817, says, "that after several days spent in deliberation, they found that the *mode of array* and system of work differed in many points so essentially from what is customary in the Encampments *hitherto in connection* with this Grand Encampment, that they could not feel justified in making concessions, such as were required by the delegates from Pennsylvania particularly." Among the reasons were, subordination to the Grand Lodge and their unwillingness to incorporate the Mark Master and Most Excellent Master.

We have now given you Mr. Fowle and Mr. Webb's testimony; let me quote from the records: June 11, 1816, the Pennsylvania

Grand Encampment appointed a committee to report upon the establishment of a General Grand Encampment, and they gave it as *their unanimous opinion* that the establishment of a General Grand Encampment for the United States would greatly tend to promote union, and order, and strength amongst Knights Templar; and they appointed Sir Knights McCorkle, Hamilton, Edes and Ireland delegates, clothed with full powers to carry the same into effect. Is it not therefore false that the Pennsylvania Grand Encampment was averse to a union? Had proper terms been proposed, a union would have been effected, but not at the expense of violated obligations. The Pennsylvania delegates met in Convention with the delegates from the Grand Encampments of New England and New York, and in their report they state, "that it was impossible to carry their designs into execution without making a sacrifice upon the part of this Grand Encampment and its subordinate Encampments, which was considered to be *unwarranted by every principle of Masonry*, which was made a *sine qua non* by the delegates from New England, who having *seceded* from the Convention, it was of consequence dissolved."

We now have given the facts, indisputable facts that the *seceders* went to New York, and then and there organized the General Grand Encampment. Pennsylvania, however, true to her teachings, true to primitive masonry which is based upon the Old Testament, would not consent that the old work which she had received from the hands of her fathers, should become interpolated or amended, and therefore regarded the Webb Work as a New England heresy, requiring the degree of Mark and M. E. Master as a prerequisite for all Knights Templar. One principal reason why Pennsylvania refused to acknowledge the work of Webb and his associates, was that they had in the Mark degree connected two events, which transpired at a distance of ten hundred and twenty-five years from each other, one happening in the time of King Solomon, at the erection of the Temple, and the other during the mission of our Saviour while on earth, the one under the Jewish, the other under the Christian dispensation.

But another inseparable objection was the degree of Knights of the Red Cross, formed, fashioned, manufactured for New England and its dependencies, and our illustrious Brother has well said that the Grand Encampment of Massachusetts and Rhode Island has furnished the ritual which is now used in all the (Templar) Orders in the United States. Let us examine into the character of the Red

Cross Order, and see if it is not as foreign to the Orders of Christian Knighthood as the parable of Christ is to the building of the Temple in the Mark degree. And while upon this part of the subject, it will be proper to remark that the same inconsistency is inaugurated by Webb in introducing Pagan and Jewish ceremonies in the Christian Orders of Knighthood as was engrafted by him and his associates into the Royal Arch. In this sublime degree we have the Divine call of Moses, the erection of the Tabernacle in the wilderness, the sack of Jerusalem, the carrying away of the captives into Babylonish captivity, the proclamation of freedom, the journey back, the various incidents of the reconstruction of the Temple, occupying ten hundred and twenty-five years, being a perfect and complete medley, calculated to mystify the masonic student in his inquiries after truth; hence we agree with the Provincial Grand Commander of Knighthood in Canada, where he says "we question the purity of Webb's teaching, not only in the Orders of Knighthood but in the degrees of Masonry proper."

Let us for a moment examine into the history and ritual of this degree of Knight of the Red Cross. The times and circumstances demand it of us as intelligent Sir Knights, although, Pennsylvania Sir Knights, in the autobiography of Snow, have been characterized "as ignorant as mules." In Scotland and Ireland the right is not insisted upon as a pass to the Templar Order. In Canada, by permission of the Grand Conclave of England and Wales, they impart as much information as will secure the admittance of their members into the Encampments in the United States. They regard the Red Cross as only a continuation of the Royal Arch degree commemorating the dangers encountered by the Jews in building the second Temple, and consequently is of Jewish and Pagan Origin, and has no connection whatever with the Christian Orders of Knighthood, as based upon the birth, life, death, resurrection and ascension of our Saviour.

Do you ask me then from whence is the degree of Knight of the Red Cross derived? I reply, it was manufactured by Webb and his associates from the Knight of the East or Sword, Knight of the East, and Knight of the East and West, degrees of the Ancient and Accepted Scottish Rite.

The testimony of the learned Colonel Moore, P. G. C., of Canada, is important on this point; he says: I have carefully examined the rituals of the Red Cross, used in the United States, as also that of the Knights of the Sword, East, East and West, as

given in the Templar Encampments of Ireland, and in the Royal Chapter of Scotland, being the same degree as that of the fifteenth of the Ancient Scottish Rite, and sixth of the French. But he adds, the third point of the Knight of the Sword must not be confounded with the seventeenth of the Ancient and Accepted Rite, bearing the same name, and consider that the ritual used in Ireland and Scotland (the one best adapted for us) *it being the original from which that of the Red Cross of the United States is taken.* In the Red Cross of the United States there are inconsistencies and inaccuracies, and it has been much altered from the original.

CITY OF OTTAWA, CANADA WEST, June 20, 1862.

To all True and Courteous Knights, Greeting:—

Be it known to all concerned, that the Supreme Grand Master and Grand Conclave of Knights Templar of England and Wales, on my representation to them that to gain admittance to Encampments or Commanderies in the United States, Frates of the Order required the preceding degree called RED CROSS, known in Scotland and Ireland by the name of Babylonish Pass or Knights of the Sword; East, East and West have authorized me to use my own discretion in conferring the degree under my Patent as Provincial Grand Commander for Canada. By virtue of such authority I hereby grant you very Eminent Sir Knight Frater Samuel D. Fowler, Deputy Grand Chancellor of Knights Templar of Canada, this, my Dispensation to confer the degree on such Knights Templar as your own judgment may direct.

Given under my hand and seal at the City of Ottawa, this 20th day of June, 1862.

W. J. McLEOD MOORE,

Provincial Grand Commander for Canada.

(I have been furnished with a copy of the Ritual above alluded to).

A learned Sir Knight of Massachusetts, writes me April 19, 1865, that our Red Cross was taken from the "Irish Knights of the East and Sword;" nay, he further adds: "Our Templar Ritual was made by Fowle and Gleason; Webb devoted his attention mostly to the Chapter degrees; Fowle was a very able man naturally, but had little education; Gleason was graduated at Harvard University and was a refined scholar."

From the same source I learn from my valued correspondent, that he himself does not know where the General Grand Encamp-

ment obtained the Rituals for the Orders of the Red Cross and of the Templar; but, he adds, I have no doubt they were obtained from Henry Fowle, deceased.* The Maltese Ritual *originated* in Boston Encampment, at Boston. About twenty years ago this ritual was adopted by our Grand Encampment, and has been used by our subordinates ever since. I think, indeed know, it was made arbitrarily, and that *it was not taken from any other Ritual*.

I am satisfied, says my learned correspondent, that the English Ritual was not in the possession of the Boston Encampment, and that, if it had been, the work would have been different from what it now is. The Ritual then prepared was more to fill up a vacuum and supply a want than for any other purpose.

Ten years since, when the Grand Encampment met at Hartford, Connecticut, the Maltese Order was stricken out through the influence of Sir Robert Morris, and we *speak* that we do know, when we say that the reason for so doing was, that Sir Morris might present one of his own, for the why and the wherefore it will not become us to say.

To the arguments already given, and to demonstrate beyond the possibility of a doubt that the English Templar work was originally used in Pennsylvania, and continued as the Ritual until about the year 1828, I shall produce conclusive evidence.

In the old Ritual of the Cross of Christ Encampment of Portsmouth, London, chartered in 1791, and confirmed under the Grand Mastership of Sir Thomas Dunckerly, among the emblems explained to the candidate, were those of the Lamb, the Cock, and the Dove; and to *this very day* these emblems are used. The old Ritual of 1791 uses these words:

At the corners of the triangle you find a Lamb, a Cock, and a Dove, sacred emblems (*symbols*) of the Order. (*The first is*) the Paschal Lamb slain from the foundation of the world. The Dove, the Almighty Comforter which descended in a bodily form (*shape*) on Christ at his Baptism, whereby his Divine Mission was indicated to St. John the Baptist. (*And*) the Cock (*is*) the Monitor of the Order, for as his crowing heralds the morn, (*so*) let it even at that still hour call to our minds (*remembrance*) our duties as Knights Templar, and admonish (*remind*) us always (*thus early*) to ask assistance to perform them (*inviolably*) throughout every (*the*) coming day, and may we ever welcome it (*the same*) as a friendly warning (*caution*); but never cause (*and not have oc-*

* Who died in Boston in 1837, aged 71 years.

casion) to fear it as the periodical memento (*monitor*) of a broken vow.

The words in *parentheses* and *italicized*, is the language now used, showing no material change, except in the language for seventy-five consecutive years.

That these same emblems were used in Philadelphia Encampment No. 1, we shall now give the proof. This Encampment was organized in 1794, but on the 17th of May, 1820, a Committee was appointed to purchase new furniture, regalia, etc., etc., in lieu of that now used. Among the articles enumerated and purchased by the Committee, were the appropriate Cloaks, a Trumpet, and the emblems of the Dove, the Lamb, and the Cock.

In 1827, when Trinity Encampment, at Harrisburg, ordered these emblems, and Sir John De Pui writes to the Grand Recorder at Philadelphia, "The hour glass you sent us was only a minute glass. The Lamb, the Cock, and the Dove, are too small, they will answer for the present, but the Crucifix we are well pleased with."

On the 17th of May, 1820, Sir J. D. Ferguson, Rev. Abner Kneeland and others, resigned their membership because new regulations and certain forms were introduced, as well as the dispensing with appropriate emblems, all of which they cannot conscientiously reconcile with that standard which they have heretofore taken as the Rule and Guide of their faith. These Sir Knights regarded their Ritual, their emblems, their forms as sacred and inviolable, and believing that their Encampment had not the authority to change, modify, and alter the same, they withdrew from the Order.

At what time the General Grand Encampment dispensed with these emblems and the use of the Trumpet, etc., etc., I have not the means of ascertaining; but that changes have been made, I have now fully demonstrated.

Thus, Sir Knights of Pennsylvania, you will perceive that a discussion of vast and great importance has been unceremoniously thrust upon us. It may be that as a kind Providence put it into the hearts of our fathers sixty-nine years ago to establish the First Grand Encampment, so He intends that we shall be the humble instruments of bringing light out of darkness, and harmony out of chaos. We have proven that the Ritual of the Orders of Knighthood, as practiced, and taught, and enforced, is *not the old* Templar work of England, which our fathers brought

with them, some of whom came to this country as early as 1784, in possession of the Templar degrees, and which did not embrace that strange, heterogeneous Order, Knight of the Red Cross, composed of Jewish and Pagan ceremonies, mixed together and thrown in by way of *ballast* to keep steady the Orders of Christian Knighthood! To demonstrate the impracticability of the Red Cross Degree, in the Order of Christian Knighthood, may I not with great truthfulness say, that the Jew and Mahomedan, who takes the Royal Arch Degree, can with equal propriety receive the Red Cross Degree. We have the acknowledgment of one of Massachusetts' most distinguished officers. We have the action of the General Grand Encampment of the United States in 1856, wherein in Art. 4, Sec. 2 of the Constitution, it reads: The rule of succession in conferring the Orders of Knighthood shall be as follows: *First*, Knight of Red Cross; *Second*, Knights Templar; thereby ignoring the Order of Knight of Malta. We have the testimony of the lamented Hubbard in his address in 1856, that the "intercalary degrees" were formerly unknown to our Order as essential to the obtainment of the Order of Knight Templar. We have the testimony of Past Grand Master French in 1862, stating that a material change was ordered in the conferring of the Order of Knights of Malta, and he said I can see no reason why the regular work in conferring of that Order should not be adopted, as it is in some, if not *all of those in Massachusetts*—that on September 4, 1862, it was enjoined by the Grand Encampment of the United States upon all State Grand Bodies and Subordinate Bodies under the jurisdiction of this Grand Body, to use the Ritual, a copy of which is in the possession of the M. E. Grand Master, being the same which is in use in the *jurisdiction of Massachusetts*.

In the Freemason's Magazine of December, 1865, published by that distinguished Mason, Sir Charles W. Moore, whose name of itself is sufficient authority in everything pertaining to Masonry, uses the following significant language:

"In 1797 the Chapter (St. Andrew's) united in the organization of a Grand Chapter for the Northern States. In the record of this year we find the following:

"Voted that the Knights of the Red Cross by Bro. Benjamin Hurd, Sr., be and they are hereby permitted to make their records in the books of this Chapter."

Sir Moore says, at this time the degree of RED CROSS HAD NO

CONNECTION WITH THE ORDER OF THE TEMPLE, and was conferred like that of the Templars as an honorary degree."

Hence it is self-evident that our rituals have been tampered with, altered, changed, modified, to suit the whim and caprice of Individual Sir Knights. As Pennsylvania Knights, therefore, let us make a united and decided effort to restore the old Ritual of the Order, the Ritual which was in use before the establishment of the Grand Encampment of Pennsylvania, in 1797; and the Ritual used by the Baldwin Encampment at Bristol; of Antiquity Encampment at Bath; the Observance Encampment at London; which Encampments existed from time immemorial, in the latter of which the Dukes of Kent and Sussex received the Orders of Knighthood; it being the same Ritual used by the Duke of Kent on the 24th of June, 1791, and by his successor, the Duke of Sussex, 6th of August, 1812, and by his successor, the present Grand Commander, Wm. Stuart, since May 10, 1862. This old Ritual discards the Knight of the Red Cross, and confers 1st. *Knights Templar*; 2d. *Knights of St. Paul or Mediterranean Pass*; 3d. *Knights of Malta*; and upon those who have been elected E. Commanders the degree of *Past Commander*. Of the correctness and authenticity of these degrees, we have a certified copy transmitted from the Grand Conclave of England and Wales, to Sir Col. W. J. B. M'Leod Moore, Prov. Grand Commander of Canada, with a Patent dated 11th of May, 1865, conferring upon your Historiographer the title of Past Deputy Provincial Grand Commander and Grand Prior, "with full power and authority to perform and exercise all and every the duties and functions vested in me (him) by such rank, and for so doing this Patent shall be sufficient authority."

The question therefore recurs, what will the G. C. of Pennsylvania do? We answer unhesitatingly and boldly, that it is our imperative duty to return to the ancient work and not remove the Landmarks of our fathers. We cannot but proclaim these truths to the Templar world, which we have enunciated, when an attack is made upon us and the work of our fathers. We ask all Templars, and all State Grand Commanderies to assist us in the glorious work of restoring Templarism to its original Ritual, as that practiced by the Grand Conclave of England and Wales, and which has legitimately descended to them through the Encampments at Bristol, Bath and London, and now in our possession. When this change is effected the whole Templar world will then be united as a powerful family, bound together by the same

Ritual, the same Landmarks, the same Principles, acknowledging and worshipping the same Redeemer, and having inscribed upon our ancient and venerated banner the glorious living and dying sentiment of every Sir Knight,

Non nobis Domine! Non nobis sed Nomini tuo da Gloriam!

To assist the Masonic student in his inquiries after truth, and in order that he may have facts before him which cannot be controverted, I have carefully prepared a full statement of all the Subordinate Commanderies holding Charters from and by authority of the Grand Encampment of Knights Templar of Pennsylvania and Masonic jurisdiction thereunto belonging, since 1794.

On motion of P. E. C. Sir William Lilly,

Resolved, That so much of the able report of the *Historiographer*, as relates to the true work of the Knights Templar and appendant Order, be and the same is hereby referred to the Past Grand Commanders with the request, that they report upon the whole subject at this Grand Conclave.

Before the close of the Grand Conclave of 1866, the Past Grand Commanders submitted the following report:

To the R. E. Grand Commander, Officers and Sir Knights of the Grand Commandery of Pennsylvania :

We, the Committee to whom was referred the report of the HISTORIOGRAPHER of the Grand Commandery of Pennsylvania, beg leave to report:

That we believe the History of Knight Templarism in Pennsylvania, as set forth by Sir Knight Alfred Creigh, to be a valuable acquisition to the records of this Grand Commandery. The able manner in which the subject is treated, and the important facts therein set forth, all show the great fund of information possessed by our Grand Recorder, creditable alike to his skill and zeal as a Templar, and we beg leave to offer the following resolutions:

Resolved, That the thanks of this Grand Commandery be unanimously voted to Sir Knight Alfred Creigh for his untiring zeal and the great ability manifested by him in the discharge of his duties as Historiographer of the Grand Commandery of Pennsylvania.

Resolved, That a copy of the above be engrossed on parchment, signed by the Grand Officers and presented to Sir Knight Alfred Creigh.

Resolved, That the exemplification of the English Templar

work as cited by Sir Knight Alfred Creigh before this Grand Body, would materially add to the interest of Templarism.

Respectfully submitted.

H. STANLEY GOODWIN,

E. H. TURNER,

C. F. KNAPP,

Committee.

On motion of Sir J. M. Whitby,

The report was received and adopted and the committee discharged.

Resolved, That the resolutions as reported by the committee, be unanimously adopted.

On motion of D. G. C. Sir J. L. Hutchinson,

Resolved, That the Right Eminent Grand Commander Sir Robert Pitcairn, be authorized to subscribe for two hundred copies of the History of the Knights Templar of Pennsylvania, as prepared by Sir Alfred Creigh, and draw on the Treasurer for the amount.

KNIGHTS TEMPLAR CONVENTION OF 1797.

PRIOR to the year 1797, FOUR Encampments were instituted in Pennsylvania; *two* in Philadelphia, the *third* in Harrisburg, and the *fourth* in Carlisle. The Right Worshipful Grand Lodge of Pennsylvania from its organization, until the 16th day of February, 1857, believed that the General Regulations of Ancient York Masons authorized the conferring of the Orders of Christian Knighthood, under the sanction of a Charter or Warrant of a Lodge. But at the Grand Communication referred to, they resolved "That Ancient Masonry consists of but three degrees, viz.: E. A., F. C., and M. M., including the degree of the Holy Royal Arch, and this Grand Lodge claims no jurisdiction beyond the limits of Ancient Masonry." By this action, Templarism, as a component part of Masonry, and in accordance with *Masonic usage* in Pennsylvania, were forever divorced, which happily eventuated in the union of all the Subordinate Commanderies in Pennsylvania, under the Right Eminent Grand Commandery of Pennsylvania, which acknowledges as its Supreme head the Grand Encampment of Knights Templar of the United States.

The Convention, however, which met on the *12th day of May, 1797*, was composed of sixteen representatives; four from each of the Encampments, who met to deliberate upon the expediency of organizing a Grand Encampment, as none had previously existed in America. After mature deliberation, and anticipating the glorious results which would necessarily ensue from having a

controlling head, whereby a more perfect union could be effected, the Convention on the *19th day of May, 1797*, adopted a Constitution to govern the Knights Templar of Pennsylvania. Thus in the very infancy of our Republic, Pennsylvania inaugurated the system of each State having within its limits a Grand Encampment, and thereby demonstrating to the world the undeniable fact, that as civilization advances, and new States are formed, Masonry and Templarism go hand in hand, with the early settlers, and amid their trials, privations, and dangers, prove to them a guardian angel.

Pennsylvania, at the date of the organization of the Grand Encampment, (1797), could only boast of a constitutional existence of ten years, yet she had already established, besides her many Lodges and Chapters, two Encampments in Philadelphia, one in Harrisburg, and one in Carlisle. It is a matter of deep regret to the Fraternity, that in the destruction of the Masonic Hall, by fire in 1803, all our Templar records were destroyed, and no vestige remained except the rolls of the members of Encampments Nos. 1 and 2. These two Encampments effected a union in 1812. We shall give their membership in 1812, with the date of their respectively receiving the Orders of Knighthood: No. 1 is perfect in this respect, as far as the individual membership was concerned at that time, but the members of No. 2, when merged into No. 1, gave the date of their admission, December 27, 1812, instead of the date they respectively received the Order of Knights Templar.

With these prefatory remarks, we proceed to give all the information we could procure concerning Philadelphia Encampment No. 1, Philadelphia Encampment No. 2, Harrisburg Encampment No. 3, and Carlisle Encampment No. 4, premising their history with the remark, that these several Encampments were organized under

the authority of the Charter of a Lodge of Master Masons, which gave full authority and power to admit and make Masons according to the ancient customs and constitutions of the Royal Craft in all ages.

A CHARTER therefore may be defined to be an instrument printed or written upon parchment, and signed by some noble *Grand Master*, his *Deputy* and *Grand Wardens* and *Grand Secretary*, sealed with the Grand Lodge seal, constituting particular persons as *Master* and *Wardens*, with full power to congregate and hold a LODGE at such a place, and therein “make and admit Freemasons, according to the most ancient and honorable custom of the Royal Craft, in all ages and nations, throughout the known world, with full power and authority to nominate and choose their successors.”

Under this authority the Master of a Lodge “had the right and authority of *calling his Lodge* or congregating the members into a Chapter at pleasure, upon the application of any of the Brethren, and upon any emergency and occurrence which in his judgment may require their meeting.”

The original Masonic Charter used in Pennsylvania read as follows—and under which, the degrees of Ancient Craft Masonry and the Orders of Knighthood were conferred.

To all whom it may concern :

The Grand Lodge of the Most Ancient and Honorable Fraternity of Free and Accepted Masons (according to the old Constitutions, revised by His Royal Highness, Prince Edwin, at York, in the kingdom of England, in the year of the Christian Era 926, and in the year of Masonry 4926), in ample form assembled at Philadelphia
SEND GREETING :

Whereas, The Right Worshipful Grand Lodge of Eng-

land, did by a Grand Warrant, under the hands of the Right Honorable Thomas Erskine, Earl Kelly, Viscount Fenton, Lord Baron of Pitton Weem, etc., etc., in Great Britain, Grand Master of Masons; the Right Worshipful William Osborne, D. Grand Master; the R. W. M. William Dickey, Senior Grand Warden; the R. W. James Gibson, Esq., Junior Grand Warden, and the seal of the Grand Lodge, bearing date June 20, 1764, A. M. 5764, nominate, constitute and appoint the Right Worshipful William Ball to be Grand Master; the R. W. Captain Blaithwate Jones, Deputy Grand Master; the R. W. M. David Hall, S. G. Warden; the R. W. M. Hugh Lenox, J. G. Warden of a Provincial Grand Lodge to be held at Philadelphia, for the Province of Pennsylvania, granting to them and their successors in office, duly elected and lawfully installed, with the consent of the Members of the said Grand Lodge, full power and authority to grant Warrants and Dispensations for holding Lodges, to regulate all matters appertaining to Masonry, and to do and perform all and every other act and thing which could be usually done and performed by other Grand Lodges, as by the said above in part recited Grand Warrant, reference being thereto had, may more fully and at large appear.

And whereas, The Right Worshipful William Adcock, Esq., Grand Master, the Right Worshipful Mr. Alexander Rutherford, Deputy Grand Master, the Right Worshipful Jonathan Bayard Smith, Esq., Senior Grand Warden, the Right Worshipful Mr. Joseph Dean, Junior Grand Warden, legal successors of the above named Grand Officers, as by the Grand Lodge Books may appear, together with the Officers and Representatives of a number of regular Lodges, under the jurisdiction, duly appointed and specially authorized, as also by and with the advice and consent of several other Lodges, by their

letters expressed, did at a Grand Quarterly Communication, held in the Grand Lodge room, in the City of Philadelphia, on the 25th day of September, A. D. 1786, after mature and serious deliberation, unanimously

Resolve, "That it is improper the Grand Lodge of Pennsylvania should remain any longer under the authority of any foreign Grand Lodge," and the said Grand Lodge did thereupon close *sine die*.

And whereas, All the Grand Officers of the said late Provincial Grand Lodge, together with the Officers and Representatives of a number of Lodges of the Commonwealth of Pennsylvania, did, on the said 25th day of September, 1786, meet in the room of the late Provincial Grand Lodge, and according to the powers and authorities to them entrusted, form themselves into a Grand Convénion of Masons to deliberate on the proper methods of forming a Grand Lodge totally independent from all foreign jurisdiction.

And whereas, The said Grand Convention did then and there unanimously resolve, that the Lodges under the jurisdiction of the Grand Lodge of Pennsylvania aforesaid, lately held as a Provincial Grand Lodge, under the authority of the Grand Lodge of England, should, and they then did, form themselves into a Grand Lodge to be called "THE GRAND LODGE OF PENNSYLVANIA AND MASONIC JURISDICTION THERETO BELONGING," to be held in the said City of Philadelphia, as by the Records and Proceedings of the said Convention, remaining among the Archives of the Grand Lodge aforesaid, may more fully appear.

And whereas, By a warrant bearing date ——— under the hands of ——— Grand Master, ——— D. Grand Master, ——— G. Senior Warden, ——— G. Junior Warden, and the Seal of the late Grand Lodge of Pennsylvania, the following Brethren to wit: — Mas-

ter, — Senior Warden, — Junior Warden, with their lawful Assistants, were authorized and appointed to hold a Lodge of Free and Accepted Masons at —, number —. And the said Lodge when duly congregated, to admit, enter, and make Masons, according to the ancient and honorable custom of the Royal Craft in all ages and nations throughout the known world. And also with the further right, privilege, and authority, to nominate, choose, and instal their successors, and them to invest in the like power, authority, and dignity, to nominate, choose, and instal their successors forever, as by the said warrant, reference being had, may appear.

*And whereas, The said Warrant hath been surrendered up to Us, the Grand Lodge of Pennsylvania and Masonic jurisdiction thereunto belonging, by the present Officers and Brethren of the said Lodge, praying that the same may be renewed under the authority of this Grand Lodge.**

Now know ye, That we, "The Grand Lodge of Pennsylvania and Masonic jurisdiction thereunto belonging," by virtue of the powers and authorities in us vested, by the said Grand Convention, do hereby renew and confirm to our trusty and well-beloved Brethren, to wit: the Worshipful — Master, — Senior Warden, and — Junior Warden, and the other regular members of the said Lodge, No. —, of Ancient York Masons, and to their true and lawful successors forever, all the Masonic rights, privileges, authority, jurisdiction, and pre-eminence, which by their said original warrant, herein before-mentioned, and in part recited, they are or may be in any manner or way entitled to hold and enjoy. Provided

* The two sentences above in italics were inserted in Charters which had procured them prior to the 25th day of September, 1786; but as an historical fact, I have deemed it proper to insert the above sentences, so that the Masonic Student can more readily understand the difference.

always, That the abovenamed Brethren and members of the said Lodge and their successors, continue at all times to pay due respect and obedience to this Right Worshipful Grand Lodge, agreeably to the rules and ordinances, lawfully made, or to be made, for the benefit of Masonry and the advancement of our Royal Craft; otherwise this Warrant to be of no force or virtue.

Given in open Grand Lodge, under the hands of our Right Worshipful Grand Officers, and the seal of our Grand Lodge at Philadelphia, this — day of — A. D. 1787, and of Masonry, 5787.

ENCAMPMENT, No. 3.

This Encampment was located in Harrisburg, Dauphin County, Pennsylvania, and was one of the original Encampments which sent delegates to organize the Grand Encampment of 1797. The records of this Encampment were forwarded to the Archives of the Grand Lodge, but by the destruction of the Masonic Hall by fire, they were destroyed, hence no record of it exists, to give us even the names of those who were Knighted, or its Officers; neither can the memory of the oldest Mason in Harrisburg point out sufficiently clear those who had been honored with the Order of Christian Knighthood.

ENCAMPMENT, No. 4.

This Encampment was established in Carlisle, Cumberland County, Pennsylvania, in 1796, by authority and with the sanction of Lodge No. 56, which was instituted on the 29th day of October, 1792. I cannot better subserve the interests of Templarism than by publishing a letter to me from the distinguished Sir Knight, Col. John Johnston, (now deceased), formerly of Piqua, Ohio, who resided in Carlisle until about 1797, and was then appointed as Indian Agent by the President of the United States, and continued in the discharge of the onerous duties of his office for about thirty-one years. His letter reads thus:—

CINCINNATI, OHIO, *February 11, 1860.*

SIR ALFRED CREIGH—My dear friend: Your letter of the 30th January, addressed to me at Dayton, reached

me in this city a few days ago, in answer to which I have to state that owing to my advanced years, now EIGHTY-FIVE, impaired health and the loss of memory will prevent me from furnishing you all the information you desire.

I can afford very little information on the subject of the Templars' Lodge or *Encampment at Carlisle, Pennsylvania*. I was admitted to the Knights Templar degree in that town in 1797. My certificate for that and the Royal Arch were, with many of my papers lost in the war of 1812.

The Commander of the Temple was named ROBERT LEYBURN, who kept a Tavern on the Main street, leading south or east below the residence of General Irvine, and on the same side of the street. Both the Royal Arch and Templar degree was conferred on me there. Not residing in Carlisle, I never was more than twice or thrice within the Lodge.

During my residence in Philadelphia, I was occasionally in THE ENCAMPMENTS, but not a member, was a regular and active member of a Blue Lodge, and Secretary at the time of Washington's death. My removal from Philadelphia with Congress to Washington, cut off my connection with Masonry in Pennsylvania. My residence at the Federal City being of a temporary character I did not connect myself with the Craft in Washington City; and thereafter for thirty-one years in succession, in the service of the United States, in the wilds of the Northwest, I had not been within the walls of a Lodge. I regret not being able to assist you more and better in your researches. There is probably not a man living now but myself, who belonged to the Templars sixty-two years ago, nor is there a single individual in

this large city, now alive, who was here in the time of General Wayne, sixty-seven years ago, but myself.

I am my dear friend and Sir Knight,

Most affectionately and fraternally yours,

JOHN JOHNSTON.

Sir Robert Leyburn, the Commander of the Temple spoken of by Col. Johnston received the Orders of Knighthood and emigrated to America in 1784. He settled in Carlisle the same year. He was a very prominent Mason, and devoted his time to the prosperity of Lodge No. 56. Through his influence I find the following entry in a MS. book in my possession, demonstrating the fact that our funds are generally devoted to benevolent objects.

Among the Masons of Carlisle who were acknowledged as Templars, were Robert Taylor, John Underwood, John Gibson, (the father of Chief Justice Gibson, who filled the office of Grand Master of the Grand Lodge of Pennsylvania), Robert Porter and William Porter. Other Knights Templar resided there and were connected with No. 3, but we cannot find anything positive, but only traditionary evidence on the subject.

GRAND CONVENTION OF KNIGHTS TEMPLAR
OF 1814.

At a Grand Convention of Knights Templar, convened by appointment, in the Masonic Hall, in the City of Philadelphia, on Tuesday, the 15th day of February, A. D. 1814, for the purpose of forming a Grand Encampment of Knights Templar in Pennsylvania, with jurisdiction belonging thereto, and also over all such Encampments in other States, as may agree to come under the jurisdiction of the same.

Sir Knight John Sellars, of the Borough of Wilmington, in the State of Delaware, was called to the Chair, and Sir Knight Henry S. Keatinge, of the City of Baltimore, in the State of Maryland, was appointed Secretary.

Whereupon, on motion made and seconded,

Resolved, That the Delegates and Proxies from the several Encampments, to be represented in this Grand Convention, from the respective States, be called over; when the following named Sir Knights produced their credentials, under the seals of their respective Encampments, as Delegates and Proxies, and were accordingly admitted to take their seats in this Grand Convention, to wit:

Delegates from *Encampment No. 1*, Philadelphia—Sir William McCorkle, Sir Alphonso C. Ireland, Sir Nathaniel Dillhorn.

Proxies from *Encampment No. 2*, Pittsburg—Sir Thomas Black, Sir James Humes.

Delegate from *Rising Sun Encampment No. 1*, New York City—Sir James McDonald.

Proxies from *Rising Sun Encampment No. 1*, New York City—Sir Thomas Armstrong, Sir Anthony Fannen.

Delegates from *Washington Encampment No. 1*, Wil-

mington, Delaware—Sir John Sellars, Sir Archibald Hamilton, Sir John W. Patterson.

Delegate from *Encampment No. 1*, Baltimore, Maryland—Sir Henry S. Keatinge.

The Grand Convention being thus duly organized, proceeded to the formation of a Constitution for the Grand Encampment about to be formed; and after several meetings and adjournments from time to time, on Wednesday evening, *February 16*, 1814, adopted, ratified, and signed the Constitution.

The Grand Convention then proceeded to the election of officers for the Pennsylvania Grand Encampment.

The Grand Officers were then installed by P. E. G. M. Sir James McDonald, of New York, according to ancient usage.

With regard to *Charters of Recognition*, the Constitution of the "PENNSYLVANIA GRAND ENCAMPMENT OF KNIGHTS TEMPLAR with jurisdiction thereunto belonging," Article 1, Section 6, provided that "Any Encampment *heretofore formed*, may upon application to this Grand Encampment, receive a *Charter of Recognition*, upon paying into the hands of the Grand Treasurer the sum of fifteen dollars for the use of the Grand Funds, and five dollars to the Grand Recorder, provided the

application for the Charter be made at any time before the second Friday of June, 1815. Under this provision of the Constitution, *Charters of Recognition* were granted to Philadelphia Encampment No. 1, Pittsburg Encampment No. 2, Rising Sun Encampment No. 1, of New York, Washington Encampment No. 1, of Wilmington, Delaware, and Encampment No. 1, of Baltimore, Maryland.

The Charter of Recognition was couched in the following language:

We, The Most Eminent Sir William McCorkle, General Grand Master of the Pennsylvania Grand Encampment of Knights Templar and the Appendant Orders—

To all whom it may concern, Greeting:

Whereas, By the Constitution of the said Pennsylvania Grand Encampment of Knights Templar and the Appendant Orders, it is provided that the several Encampments which were represented in the Grand Convention at the establishing of the said Grand Encampment, should be furnished with Charters of Recognition, etc., as by the said Constitution reference being thereunto had will fully appear.

LETTERS AND REPORTS.

NEW YORK, April 8, 1814.

*To the R. E. Sir George A. Baker, Grand Recorder
of the Grand Encampment of the State of Penn-
sylvania.*

The Petition of a Committee appointed by Rising Sun Encampment, held in the City of New York, on the 8th day of April, 1814, for the express purpose of applying for a Warrant to the regular authority for and in behalf of said Encampment. We therefore pray for a Constitutional Warrant or Charter, to empower us to confer the orders of the Red Cross, Knights Templar and Knights of Malta, on worthy Royal Arch Masons, as directed by said Grand Encampment, and that said Warrant shall include Sir Knight Elias Dob, as E. Grand Master ; Sir Knight John Benson, Generalissimo, and Sir Knight William Lee, as Captain General ; with such other officers as you may think proper to include with their successors elect, and a competent number of Sir Knights to open an Encampment to be hereafter known and designated by the name of *Rising Sun Encampment, No. 1, of the City of New York*, under the Grand Encampment, and in duty bound we will ever pray.

M. HUGHES, ARCHIBALD BULL, JAMES McDONALD,	} Committee.
--	--------------

PITTSBURG, April 12, 1814.

WILLIAM McCORKLE, Esq.—Sir and Brother: At the request of the Knights of Pittsburg Encampment, I enclose an application for a Charter, accompanied by the Constitutional fee. It affords me much real pleasure to contemplate the advantages likely to result from the establishment of a Grand Encampment, and nothing shall be wanting on my part, or that of our Encampment, to render our ancient and illustrious order respectable in the eyes of the world. I feel much gratified by the honor conferred on me, by naming me one of the officers, and if I can possibly make it convenient, I will meet you in June, but my situation at present is such, that I dare not be too sanguine; but at all events rest satisfied of the warmest wishes and most cordial coöperation of,

Yours respectfully,

MAGNUS M. MURRAY.

WILMINGTON, DELAWARE, May 13, 1814.

WILLIAM McCORKLE, G. G. MASTER.—Dear Sir Knight: Yours of the 27th ult., I duly received, and in answer thereto, am happy to inform you that our Encampment have unanimously resolved to apply to the Pennsylvania Grand Encampment for a *Charter of Recognition*, agreeably to the Constitution of the said Grand Encampment, as you will perceive by the enclosed extract from the minutes of our proceedings. This application would have been made much sooner but we find it difficult to get our members together at this season, the evenings being so short, as to make it late before we can get through the business—and a number of our members objecting to stay late from home, they are prevented on that account from attending.

You will find from the enclosed extracts also, that we have had an election for officers under the Constitution,

which was considered absolutely necessary before application was made for a Charter, as the officers of our Encampment were not known to the Constitution, and if it had been granted to them, it would have contained officers totally different from those established in Convention, whereas now it will be strictly conformable to the Constitution.

Yours sincerely,

A. HAMILTON.

NEW YORK, *June 6, 1814.*

SIR KNIGHT GEORGE A. BAKER, GRAND RECORDER.
—It is with pleasure I inform you that Rising Sun Encampment, No. 1, is in a flourishing condition, and it would afford me greater satisfaction to have it in my power to enclose you a complete list of the members composing this Encampment. But Sir, on account of having only one meeting, and that on the night of installation, renders it completely out of my power to comply with my wishes. I am in hopes, however, in a few weeks to forward you such a return of members as will cause the Rising Sun Encampment, No. 1, to rank with the first in the United States. I remain with sentiments of respect and esteem, yours, etc.,

THOMAS DURRY,

Rec. K. T. Encamp't., No. 1.

BALTIMORE, *February 19, 1815.*

DEAR AND RESPECTED SIR KNIGHT.—In answer to your request of November 29, 1814, I can only say that the same should have been complied with before this time. Owing to the commotion of this city with the enemy being at the door, the Encampment did not meet regular until a few weeks ago, when we resumed our labors. Have the goodness to give my respects to the General Grand Master, and assure him this Encamp-

ment, No. 1 of Maryland, will always be ready to promote the good of the Grand Encampment of this Illustrious Order. With my best wishes for yourself, I am dear Sir Knight, yours respectfully,

PHILIP P. ECKEL.

To George A. Baker, Gr. Rec.

At the annual meeting of the Pennsylvania Grand Encampment, held in the City of Philadelphia, June 11, 1816, the following report was read and accepted:

The Committee appointed by the Pennsylvania Grand Encampment of Knights Templar to confer with Delegates from the New England Grand Encampment of Knights Templar, and on the general interests of the Order, respectfully report: That they have had a full conference with them, as also with a Delegate from a Grand Encampment in New York, and give it as their unanimous opinion, that the establishment of a General Grand Encampment for the United States would greatly tend to promote UNION, ORDER, AND STRENGTH amongst Knights Templar.

They therefore beg leave to recommend to this Grand Encampment to appoint Delegates clothed with FULL powers to carry the same into effect.

WM. McCORKLE,
A. HAMILTON,
BENJAMIN EDES.

The Pennsylvania Grand Encampment appointed the following Committee to carry out their views as expressed by the above report, viz.: Sir Knights William McCorkle, A. Hamilton, Benjamin Edes, and Alphonso C. Ireland, being authorized to convene the Grand Encampment for the purpose of ratifying or rejecting any proposal for a Union.

On the 14th of June, 1816, a special meeting of the

Pennsylvania Grand Encampment was held to receive the report of the Committee, which being read, was accepted. The report read as follows:

The Delegates appointed at an extra meeting of the Pennsylvania Grand Encampment of Knights Templar to confer with Delegates from the Grand Encampments of New England and New York, upon the subject of forming and establishing a General Grand Encampment of Knights Templar, and the Appendant Orders for the United States of America, beg leave to report: That they have met the Delegates from New England and New York, and after exchanging their powers, they proceeded to deliberate upon the object of their meeting, and having spent some time therein, these Delegates discovered that it was impossible to carry their designs into execution, without making a sacrifice upon the part of this Grand Encampment and its Subordinate Encampments, which was considered to be unwarranted by every principle of Masonry; which was made a *sine qua non* with the Delegates from New England, who having seceded from the Convention, it was of consequence dissolved.

WILLIAM McCORKLE,
A. HAMILTON,
BENJAMIN EDES,
ALPHONSO C. IRELAND.

The difficulties which existed between the New England and New York Encampments on the one hand, and those of the Pennsylvania Grand Encampment on the other hand were: *First*, That the Encampments belonging to the latter, recognized themselves as in subordination to the R. W. Grand Lodges of their respective States. *Second*, That the Degrees of Mark and Most Excellent Masters were unnecessarily engrafted on An-

cient Craft Masonry, and did not belong to Ancient Masonry. Under this state of affairs the Convention dissolved, each body pertinaciously holding fast to their peculiar views.

On the 24th of June, 1824, the Grand Encampment closed its labors, and we find that the General Grand Encampment subsequently took possession of the State of Pennsylvania, according to the terms of the Constitution, in which it claimed the right of establishing Encampments in States and Territories where no Grand Encampment existed. Accordingly, on the 22d of November, 1826, the M. E. Dewitt Clinton, General Grand Master of the General Grand Encampment of the United States, issued a Dispensation for an Encampment to be located at Harrisburg, Dauphin County, Pennsylvania, by the name of Holy and Undivided Trinity Encampment, which was legally and constitutionally instituted, with the Rev. Gregory T. Bedell, as its first Grand Master.

On the 23d of February, 1827, St. John's Encampment No. 4, adopted a resolution appointing Sir Knights N. Fowle, T. S. Manning, and John Norton, to select and report such name as they may think proper for heading a petition for a Warrant from the General Grand Encampment of the United States at New York for their future and better work.

On the 25th of May, 1827, the Committee were discharged, and on the 12th of June following, Sir Knights N. Fowle, C. Felt, and John Norton, were appointed to confer with the proper officers of the General Grand Encampment of the United States respecting the recognition as an Encampment by them.

In the meantime, however, (viz.: on the 25th of May, 1827), Rev. Gregory T. Bedell had not only been elected a member of St. John's No. 4, but its Grand Master.

He addressed the following letter to the Sir Knights of St. John's No. 4, of Philadelphia, dated November 23, 1827.

SIR KNIGHTS: Since I had the pleasure of meeting you in Encampment a difficulty has been thrown in my way, which compels me as a matter of conscience to resign my situation as Master. It has been stated to me by a worthy Brother Sir Knight, that according to a strict and literal interpretation of my obligation, I have committed an error in permitting myself to be elected Master of an Encampment, not formally acknowledging the jurisdiction of the General Grand Encampment. This difficulty is of a technical character, but as it concerns a solemn obligation, is nevertheless of such importance as to require my resignation. This difficulty I call of a technical character, for I am aware that virtually your Encampment is acknowledged by the General Grand Encampment, but still so long as this recognition has not been the subject of a special act on the part of the Grand Encampment, I feel as it were more safe in me to avoid any act which might look like a violation of any obligation. As this matter has been suggested to me, I cannot plead ignorance, and therefore must request that while I tender you my grateful acknowledgments for the honor already conferred, you permit me to retire, as nothing can alter the feeling of my mind, that I might be doing wrong by remaining. With these views I place in your hands the CHARTER, and also some papers with which I was entrusted. Yours, etc.,

G. T. BEDELL.

The Anti-masonic excitement which had begun to extend itself into Pennsylvania at this time, caused all the departments of Masonry (consisting of Lodges, Chapters, Councils, and Encampments) to become lukewarm in

their high and holy mission, several of which suspended their labors. But after the excitement had passed away, and the different Orders were purified, by lopping off unsound members, and refusing to reinstate those who from unworthy motives had abused and spoken evil of the Order and violated their obligations, Masonry and Templarism resumed their sway, and the General Grand Encampment of the United States claimed jurisdiction over the State of Pennsylvania, and began to establish Encampments at Pittsburg, Washington, and Uniontown, from which was organized the present Grand Commandery, by a warrant from the M. E. William B. Hubbard.

GRAND ENCAMPMENT OF THE STATE OF VIRGINIA, }
 RICHMOND, VIRGINIA, July 20, 1819. }

*To the M. E. Grand Master, Generalissimo and
 Captain-General of the Grand Encampment of
 Pennsylvania.*

SIR KNIGHTS: The Grand Encampment of the State of Virginia being desirous to establish a correspondence with all worthy Knights Templar, and more particularly with the Grand Encampment at Philadelphia, have appointed us whose names are hereunto subscribed, a Corresponding Committee to carry that praiseworthy object into effect.

On the 24th of March, 1816, A. L. 5816, A. O. 698, a Convention of Knights Templar took place in Masons' Hall, in the City of Richmond, and within the jurisdiction of the Grand Lodge of Virginia, and formed themselves into an Encampment called the *St. John's Rising Star Encampment of Virginia*, under the guidance of many worthy Sir Knights from Europe and other places. Since which time many brave Sir Knights have been enrolled on our list who are willing to guard the passes

leading to the Holy Temple, thereby promoting that benign religion of the Prince of Peace, whose standard we bear and whose divine principles we wish to inculcate.

The Encampment being aware that our Southern and Western Brethren in the United States are thirsting for light and knowledge, are willing, in conjunction with the Grand Encampment of Pennsylvania, to spread the glorious light of Zion and plant the standard of our Order in the earth's remotest bounds.

Let us hear from you as soon as convenient; until then, may the light of Him who became the head of the corner, guide and preserve you. With sentiments of respect and brotherly love, we subscribe ourselves,

Yours, etc.,

JOHN MOODY, *Chairman*,
CHARLES Z. ABRAHAM,
CALEB COOK,
JOHN W. ROBINSON,
L. CONVERT,
THOMAS H. McVEE,
HENRY ANDERSON;
THOMAS B. CONWAY,
THOMAS CUSHING,
WILLIAM MARSH, *Recorder*.

RICHMOND, VA., July 20, 1819.

TO ALL KNIGHTS TEMPLAR.—Greeting: Know ye, That from the special trust and confidence reposed in our well beloved Brother, Sir John Moody, a member of Saint John's Rising Star Encampment of the State of Virginia, I have hereby, with the consent of the said Encampment, given full power and authority to Sir John Moody to negotiate with all the Encampments North of this City, and more particularly with the Grand Encampment of Philadelphia, thereby establishing that

brotherly union and good faith which should at all times be cultivated between all who wish to walk in the steps of our Great Preceptor. I have the honor to subscribe myself for and in behalf of the Encampment, courteously yours,

CHARLES Z. ABRAHAM,
Test. Wm. Marsh, Recorder. E. G. Master.

RICHMOND, VA., November 10, 1819.

SIR KNIGHT: When I left you in Philadelphia, you promised to answer the letter of correspondence I delivered to you from the Encampment of this place. On my return here, I reported to them my proceedings on that subject with Sir Knight Baker and yourself, in writing, which is filed in their archives.

The Encampment here say, they are ready to send on and *comply with your terms*, but are waiting anxiously for the above answer, as without that document they are not certain of their being welcome guests with you. Really, Sir, I feel myself rather uneasy, as they all here (I venture to say) believe I represented them to you, fairly and candidly—as to myself, I saw your engagements daily, while I waited on you. I will thank you very kindly, if there is impediment in the way to tell me of it and it shall be removed. I have no view on earth but the prosperity of the order. May Him who governs all, bless and preserve you. I am, courteously yours,

JOHN MOODY.

To Sir Kt. Alphonso C. Ireland, Esq.

RICHMOND, VA., November 11, 1819.

TO GEORGE A. BAKER, ESQ., GRAND SECRETARY: On my return home, this Encampment of Knights Templar convened, to hear the report of my proceedings under their authority. Your friend, Sir Knight Ireland, promised me an answer should be returned to the Letter of

Correspondence left with him, which letter I think was friendly and polite. The Encampment here believe I represented fairly and honorably their situation and desire, and are therefore of opinion that they are at least entitled to a polite answer. Their officers tell me they are prepared to send on the requisites and comply with your terms, although the times here are very severe. No answer has come to hand.

This evening we have a meeting a mile from my home, which I cannot attend. The last mail I wrote to Sir Knight Ireland of this nature, but fearing an accident to him, I have taken this liberty with you, hoping that you will set all things right. I am, with the greatest respect and esteem, courteously yours,
JOHN MOODY.

PHILADELPHIA, *January 16, 1820*

SIR KNIGHT JOHN MOODY: The several communications you handed me the Grand Officers have had under consideration, but nothing can be done until the meeting of the Grand Encampment. The annual meeting will be held on the second Friday in June next, when the papers will be laid before them and their decision will be *immediately* communicated to you. You will recollect that Sir Knight Baker and myself informed you when you were in this city, that we believed nothing could be done until the meeting of the Grand Encampment. If you contemplate petitioning for a WARRANT, it must be sent previous to the meeting of the Grand Encampment. The Constitution and By-Laws which you received when here, will tell you what is necessary to be done on your part to enable you to obtain one.

Courteously and Knightly yours,

ALPHONSO C. IRELAND.

HAVANA, February 28, 1820.

To the Most Eminent the Grand Master of Knights Templar of the Grand Encampment of the State of Pennsylvania.

MOST RESPECTFULLY GREETING: I, the undersigned, a regular Sir Knight of the Temple, Knight of the Red Cross and Malta, have been duly authorized by four more Sir Knights from Ireland, residing with myself at this place, to solicit and most humbly to request of you a dispensation and power to give and grant the degrees of Knights Templar, Red Cross and Malta, to so many worthy Royal Arch Masons as are sufficient to open a regular Encampment of Sir Knights Templar, provided, that they do no further work until they have received a regular Warrant from the Grand Encampment of Pennsylvania.

We are well aware that five Sir Knights were not able to do so without having obtained such power or Dispensation, and how far it will answer to obtain it from you, time must show. Permit me on behalf of the other four Sir Knights (who are not known in America), to assure you that it would greatly redound to the honor and advancement of Masonry, as it will then convince some, that it only tends to the advancement of Christianity.

Should you as we sincerely hope, deem it expedient to grant us our prayer, you are then requested to enclose it, directed to me, and send it to the Worshipful Brother Lewis, Grand Treasurer of the Grand Lodge of Pennsylvania, who will pay the expenses attending it, and forward it to Brother Pedro Gracias, Corresponding Secretary of this place. Permit me to subscribe myself M. E. G. M., your obedient and affectionate Brother,

JACOB BURNS,

Of Encampment No. 1 of Philadelphia.

To Alphonso C. Ireland, G. G. M.

CITY OF AUGUSTA, GEORGIA, *May 1, 1823.* A. O. 706.

MOST EMINENT SIR PHILIP WINNEMORE: I have the pleasure to inform you, that an Encampment of Knights Templar and the appendant Orders has been established in the City of Augusta, under the jurisdiction and by virtue of the authority of the General Grand Encampment of the United States, and on behalf of our Encampment I crave from your Grand Encampment, that friendly and social intercourse between our respective members individually, and between our Encampment by written correspondence which characterizes our Illustrious and Magnanimous Order. You have herewith an impress from our seal and the signatures of our officers, and I beg you may reciprocate with us. I salute you fraternally,

PROVIDENCE, R. I., *November 27, 1857.*

SIR KNIGHT B. B. FRENCH, GRAND RECORDER—

Dear Sir: With a view to obtain as well as to give information, I will state what I have in my possession, beginning with the formation of St. John's Encampment of Providence, R. I.

The first record I can find is August 23, 1802, and alludes to a previous meeting of which I can find no record. At this meeting the Encampment was formed and established, and Thomas S. Webb was elected Grand Master, and was elected to that office annually until 1813.

A Grand Convention of Knights Templar was held in Providence on the 6th of May, 1805. They appointed a Committee and adjourned to the 13th, and the Com-

mittee reported as follows: "Constitution of the Grand Encampment of Rhode Island and jurisdiction thereunto belonging." At this meeting Providence Encampment of Knights Templar, Newbury Encampment of Knights Templar, and Boston Encampment of Knights of the Red Cross were represented. Thomas S. Webb, of Providence was elected G. M., N. Fowle, of Boston, G., and J. Gage, of Newburyport, C. G. This Constitution may be found in Webb's Monitor for 1806.

At the Annual Assembly of the Grand Encampment holden at Boston in the month of May, 1806, it was deemed expedient to extend the jurisdiction of the Grand Encampment to any State or Territory wherein there is no regularly established Grand Encampment, and for this and other purposes a number of alterations and amendments were made in the Constitution. The Constitution as altered and amended is in the following words: "Constitution of the United States Grand Encampment of Knights Templar and the Appendant Orders." At this meeting, Massachusetts, Rhode Island, Maine, and New York, were represented. Thomas S. Webb, of Providence, was elected G. G. M., N. Fowle, of Boston, G. G., Jonathan Gage, of Newburyport, G. C. G., Ezra Ames, of Albany, G. S. W., Sterry Foster, of Portland, G. S. B.

Article 1, Sect. 3 of the Constitution read as follows: The jurisdiction of this Grand Encampment shall extend to any State or Territory wherein there is not a Grand Encampment regularly established. Is not this the commencement of the General Grand Encampment? This Constitution may be found in Webb's Monitor of 1816. At the Annual Assembly at Boston in 1812, the same Officers were elected as in 1806, and the same States represented, with the addition of Maryland, I think.

In 1816, this same United States Grand Encampment

met at New York, and altered the Constitution to that of General Grand Encampment of Knights Templar and the Appendant Orders for the United States of America. De Witt Clinton was elected General Grand Master. Thomas S. Webb, of Providence, (not of Boston, as the publisher of Webb's Monitor of 1821 has it), was elected Deputy G. G. Master, the same States represented and the same principal officers elected as in 1812.

Thus we find Webb in 1802 at the head of St. John's Encampment of Providence. In 1805 we find him at the head of the Grand Encampment of Knights Templar. In 1806, and also in 1812, we find him at the head of the United States Grand Encampment. In 1816 we find him D. D. G. M. of the G. G. E. of the U. S. Webb died in 1819.

I claim for Webb that he was the originator of 1st. St. John's Encampment of Providence; 2d. Of the Grand Encampment of Massachusetts and Rhode Island; and 3d. Of the United States Grand Encampment, now the G. G. Encampment of the United States.

The Charter of St. John's Encampment is dated in October, 1805, and is No. 1 the first from us.

Truly and fraternally yours,

JAMES SALSURY.

PROVIDENCE, R. I., *January 28, 1860.*

ALFRED CREIGH, GRAND RECORDER.—Eminent Sir Knight: Yours of the 23d came duly to hand, inquiring for information in regard to the history of Knighthood in the United States. In answer, will say that I can give but little information in addition to what you will find in Webb's Monitors of 1805 and 1816, and my letter to Sir B. B. French, of November 27, 1857, (see foregoing letter).

I am informed, but cannot now give my author, that

Thomas S. Webb received the orders of Knighthood in Philadelphia.

The records of the United States Grand Encampment from 1806 to 1816, are in possession of the Grand Encampment of Massachusetts and Rhode Island. I was not sure in regard to Maryland being represented in the United States Grand Encampment in 1812. My copy says, "with the addition of Maryland I think." I am, respectfully and truly yours, JAMES SALSURY.

In the Masonic Review, published by Sir C. Moore, of Cincinnati, Ohio, Vol. 23, June, 1860, are these words:

"Brother Webb aided in organizing a Chapter and Encampment in Albany, and the degrees of the York Rite were worked from Entered Apprentice through all the degrees of Symbolic, Capitular, and Chivalric Masonry, up to Knights of Malta. But Brother Webb had taken all these degrees previous to his removal."

The Rev. Paul Dean, in his Eulogy on Thomas S. Webb, says he received the orders of Knighthood in Philadelphia.

ENCAMPMENTS.

PHILADELPHIA ENCAMPMENT, NO. 1.

Philadelphia Encampment, No. 1, was constituted in the City of Philadelphia on *December 27, 1812*, by the union of No. 1 and No. 2. These two bodies had existed for about the last sixteen years, but the members of both Encampments believed they could accomplish more good by a common union, and thereby cement the bonds of their fraternity, whereby they could participate in those glorious rights and privileges, which their ancestors had enjoyed. Hence the union was happily consummated, and in the year 1814, No. 1, commissioned as Delegates to form the Pennsylvania Grand Encampment, Sir Knights William McCorkle, Alphonso C. Ireland and Nathaniel Dillhorn, which event being accomplished, they received a CHARTER of Recognition on the *2d day of May, 1814*.

RISING SUN ENCAMPMENT, NO. 1.

The Grand Encampment of New York was constituted by the Sovereign Grand Consistory of the Chiefs of exalted Masonry, for the United States of America, on the 1st day of June, 1814. Prior to this organization, however, it appears that *four* Encampments existed in the State of New York, for in the history of the Proceedings of the Grand Encampment of New York, at page 45 we read that "it being stated that at the formation of this Grand Encampment, Numbers 1, 2, 3 and 4, of the Subordinate Encampments, were left unemployed and held in reserve for certain Encampments previously established under the OLD SYSTEM, provided they should cause petitions to be duly presented therefor."

It appears No. 2, (Temple Encampment at Albany), applied and received a Charter, but Nos. 1, 2, 4, did not, and in December, 1823, by resolution, they forfeited their right to obtaining a Charter from the Grand Encamp-

ment. Under the *Old System*, No. 1, was Rising Sun Encampment at New York City. No. 2, Temple Encampment at Albany.

Rising Sun Encampment, No. 1, subsequently became Columbian Commandery, No. 1. This Encampment was the oldest Encampment in New York, and by reference to the Commercial Advertiser of New York, dated 30th December, 1799, I find the following interesting order :

The Knights Templar are requested to attend to-morrow morning, at 10 o'clock, in the French Church in Pine Street, in full dress, with crape round the arm and sword, in order to join in the funeral procession, in honor of the memory of our late worthy Grand Master, Lieut.-General George Washington. By order of Sir J. M.

Wm. Richardson, Scribe, Dec. 30, 1799. G. M.

The Grand Master's initials are only added to the notice, but it may be inferred that it was James McDonald, who was the prominent Knight Templar. But a question arises here, was General Washington a K. T.? If so, where did he receive his degrees? The notice gives him the position of having been a Grand Master (Eminent Commander) of a Commandery.

Rising Sun Encampment was therefore instituted prior to 1808, but received a Charter of Recognition from the Pennsylvania Grand Encampment, May 3, 1814, and afterwards from the Grand Encampment of the State of New York. We are only in possession of the officers from 1808.

Rising Sun ENCAMPMENT, No. 1, of the City of New York, was represented in the Convention of Knights Templar, which met in Philadelphia on the 15th day of February, 1814, for the purpose of organizing a Grand Encampment of Knights Templar in Pennsylvania, "with jurisdiction belonging thereto." The Delegates from Rising Sun Encampment of New York, were Sir Knights James McDonald, Thomas Armstrong and Anthony Fannen, who, with the representatives from Pennsylvania, Delaware, and Maryland, adopted a Constitution on the 15th and 16th days of February, 1814, to form a more perfect union, and named it the "PENNSYLVANIA GRAND ENCAMPMENT OF KNIGHTS TEMPLAR, with jurisdiction thereunto belonging." The CHARTER of Recognition was granted May 3, 1814, to Sir Knights Elias Dob, John Benson, William Lee, Artemus Brookins, James Chadwell, John McMullan, John Ossman, M. We have been furnished with the following, from Sir Knight J. A. Reed, M. D., the present E. C. of Columbia Commandery, (originally Rising Sun Encampment, No. 1), which demonstrates the existence of Rising Sun Encampment. The extract is from the N. Y. Dispatch of October 7, 1866.

MASONRY IN MARBLE.

We are indebted to our much esteemed Bro. R. W. Wm. Sinclair, whose eye is as quick to detect Masonic traces as his heart is to respond in sympathy to the calls of the worthy and needy, for the following literal copy of inscription upon a tomb-stone in St. Paul's church-yard, in this city. Fifty years ago! What other society then in being can show as little variableness in its landmarks, or marble-marks, as ours? All who were connected with our companion are gone to dust, but here we

find in the face of the hard marble the traces of Brotherly Love, and it will be as admirable and as admired a hundred years hence. Such is Masonry!

WIVANDA ENCAMPMENT.

Elmira Encampment of the county of Tioga and State of New York, on the 20th of July, 1826, issued a Charter under its seal, and signed by Thomas Maxwell, as *Grand Commander*, Hezekiah W. Atkins, *Generalissimo*, and John H. Knapp, *Captain-General*, authorizing and empowering Sir Knights George H. Bull, as *Grand Commander*, William Kelly, as *Generalissimo* and Thomas Overton, as *Captain-General*, to assemble as a BRANCH of their Encampment, at Towanda, Bradford County, Pennsylvania. They had authority by the said Charter to elect their successors, and confer the orders of *Knights Templar*, *Knights of Malta*, and of the *Mediterranean Pass*, and *Knights of the Red Cross*, and were required to do all and every act according to ancient usage.

Sir Thomas Maxwell, the Grand Commander of Elmira Encampment, in June, 1860, wrote me, that he received the orders of Knighthood in Jerusalem Encampment, Danby, New York, which was subsequently removed to Ithaca, New York, that this Encampment was chartered by *five Knights* belonging to *five different* Commanderies,

before the establishment of the Grand Encampment of New York. From Jerusalem Encampment they received their authority to open Elmira Encampment, of which he was the first Grand Commander, giving them the same power to issue Charters. When the Grand Encampment of New York was established, the Encampments of Ithaca and Elmira were legalized.

The Books, papers, jewels, etc., etc., (except the Charter) were all destroyed by fire, at the destruction of the Court House of Towanda, in which place Wivanda Encampment met.

The Charter of Wivanda Encampment was the nucleus from which sprang NORTHERN COMMANDERY, No. 16. The original Charter read as follows :

To all to whom these Presents may come, or may concern, Greeting. Know ye, that we the officers of Elmira Encampment, held at Elmira, in the County of Tioga and State of New York, to wit : Thomas Maxwell, Grand Commander, Hezekiah W. Atkins, Generalissimo, and John H. Knapp, Captain-General, do hereby constitute and appoint a branch of our said Encampment to be held at Towanda, in the County of Bradford, in the State of Pennsylvania, to be managed and governed by the undernamed Brothers Sir Knights as the first officers of said Encampment, viz :

Sir George H. Bull, Grand Commander.

Sir William Kelly, Generalissimo.

Sir Thomas Overton, Captain-General,

and such others as they shall choose from time to time, as their successors when duly assembled, and we will aid and assist the officers and Brethren of said Encampment, by giving them such information as shall be in our power when time and opportunity will permit ; hereby giving to the said Encampment full power and authority to confer the orders of *Knights Templar*, *Knights of*

Malta, and of the Mediterranean Pass, and Knights of the Red Cross. That the said Branch shall be known and distinguished by the name and title of WIVANDA ENCAMPMENT, and that we will consider ourselves in union with them so long as they proceed agreeable to ancient usage.

Given under our hands and the seal of Elmira Encampment, in regular convocation thereof, this 20th day of July, in the year of our Lord, 1826, of Masonry, 5826, Order of Knights Templar, 708.*

THOS. MAXWELL, *Grand Commander.*

HEZEKIAH W. ATKINS, *Generalissimo.*

JOHN W. KNAPP, *Captain-General.*

Attest, Josiah Dunham, Recorder.

HOLY AND UNDIVIDED TRINITY ENCAMPMENT.

This Encampment was organized at Harrisburg, Dauphin County, Pennsylvania, on the 22d day of November, 1826, by a dispensation issued from the M. E. Sir Dewitt Clinton, General Grand Master of the General Grand Encampment of the United States of America.

The Grand Commandery of Pennsylvania adopted the following form for a Charter for their Subordinates:

THE GRAND COMMANDERY OF THE STATE OF
PENNSYLVANIA, SUBORDINATE TO THE GRAND
ENCAMPMENT OF KNIGHTS TEMPLAR OF THE
UNITED STATES OF AMERICA.

To whom it may concern, Greeting:—

Whereas, heretofore, to wit: On the — day of — in the year of our Lord, one thousand eight hundred and — a Dispensation was granted to certain Sir Knights to open and hold a *Commandery of Knights Templar*, and the Appendant Orders in the — of — in the County of — and State of Pennsylvania, by the name of — Commandery No. —.

And whereas, Application has been made to this Grand Commandery for a perpetual CHARTER or WARRANT to enable them to continue in all the rights and privileges of a regularly constituted Commandery, and a copy of their By Laws and of the Minutes of their Proceedings having been submitted for our inspection and approval, and no cause adverse to granting the prayer of said applicants to Us appearing—

Now know ye, That *We*, the *Grand Commandery of the State of Pennsylvania*, United States of America, reposing special confidence and trust in the fidelity, zeal, and Masonic ability of the Officers and Members of the said Commandery, and for the purpose of diffusing the benefit of the Order and promoting the happiness of man, by virtue of the power in Us vested, *Do, by these presents*, recognize said COMMANDERY, as regularly constituted and established under the jurisdiction of this *Grand Commandery*, with full powers to confer the several Orders of *Knights of the Red Cross*, *Knights Templar*, and *Knights of Malta*, upon such person or persons, possessing the requisite qualifications, as they may think proper, and we do also recognize the present Officers and Members of the said Commandery with continuance of

the said powers and privileges to them and their successors forever: *Provided, nevertheless,* That the said Officers and Members and their successors pay due respect to our said Grand Commandery, and to the Constitution and Edicts thereof, and in no way remove the ancient landmarks of the Order, otherwise this Charter and all things therein contained, to be void and of no effect.

Given at the — of — in the State of Pennsylvania, this — day of —, in the year of our Lord, 18—, and of our Order 74.

PITTSBURG COMMANDERY, No. 1.

THE M. E. Sir Wm. B. Hubbard, G. G. Captain-General of the General Grand Encampment of Knights Templar for the United States of America in his report to the General Grand Body at its *tenth* meeting held in the City of Columbus, Ohio, in September, 1847, says :

On the 13th of May last, I received an application from Sir Knights Alexander McCammon, William W. Wilson, James S. Hoon, Samuel McKinley, Charles W. Ricketson, John Y. C. Bell, John McTiernan, George R. White, Rev. George S. Holmes, and Francis Bailey, at Pittsburg, Pennsylvania, praying for authority to establish an Encampment in the City of Pittsburg, subordinate to the General Grand Encampment of the United States, which application was accompanied by a copy from the records of Wheeling Encampment, highly approving of the application, and vouching for the moral and Masonic qualifications of the several applicants ; and having full confidence in the opinion and judgment of our illustrious Knights composing the Encampment at Wheeling, and also confiding in the thus avouched high character of the Sir Knights at Pittsburg, immediately on the receipt of the usual fee required by our Constitution, I made out and issued to them my Warrant of Dispensation authorizing the establishment at Pittsburg of a COUNCIL OF RED CROSS KNIGHTS and an ENCAMPMENT, as prayed for in their petition. From the information I have received, I entertain the belief that this

Encampment will be found well worthy of the high honors confided to it.

Sir Knight Gould, from the Committee on Charter and New Encampments, on the 16th of September, 1847, reported favorable, whereupon a charter was issued to PITTSBURG COMMANDERY, No. 1.

PHILADELPHIA COMMANDERY, No. 2.

THIS Commandery when originally established, was known as No. 5, and with St. John's No. 4, and Union No. 6, of Philadelphia, and De Molay, of Reading, united together to constitute the Grand Encampment of Knights Templar, under the authority of the R. W. Grand Lodge of Pennsylvania. After the union of the two Grand Encampments of this State, it was changed to No. 3, and subsequently by resolution of the present Grand Commandery, it became No. 2. From the records, we learn, that on the 9th day of May, 1849, Sir Knights Anthony E. Stocker, Thomas F. Betton, David C. Skerret, William H. Klapp, George H. Hart, W. W. Downing, Robert P. King, Samuel Badger, H. Weir Workman, Coleman Fisher, Jr., and Samuel B. Ashmead, anxious for the reorganization of the Grand Encampment of Pennsylvania, and believing that the formation of a new Encampment of Knights Templar in Philadelphia would promote that object, resigned their membership in St. John's No. 4.

Franklin Lodge, No. 134, of Philadelphia, granted the sanction of its Warrant to open Encampment No. 5. The Grand Lodge having approved of the action of Franklin Lodge; Union Lodge 121, and Lodge 227, at Reading, created Nos. 6 and 7 in the same way. We extract the following history from the By Laws of No. 2,

To William H. Klapp, Anthony E. Stocker, Robert P. King, Thomas F. Betton, William W. Downing, H. Weir Workman, George H. Hart, Samuel Badger, David C. Skerret, Samuel B. Ashmead, and Coleman Fisher, Jr.

At a Special Meeting of FRANKLIN LODGE, No. 134, held at the Hall, South Third street, on Wednesday, May 9th, A. D. 1849, A. L. 5849, for the purpose of receiving the Report of the Committee on the Petition of certain members of this Lodge and others, praying the sanction of its Warrant for the purpose of opening and holding an Encampment of Knights Templar and the appendant Orders in the City of Philadelphia, the Report of said Committee was received, and the following resolutions adopted:

1. *Resolved*, That the sanction of the Warrant of FRANKLIN LODGE, No. 134, be and the same is hereby granted to WILLIAM H. KLAPP, ANTHONY E. STOCKER, ROBERT P. KING and others, members of this and other Lodges held in this city, and also Knights of the Temple and of the Order of St. John of Jerusalem, for opening and holding an Encampment of Knights Templar and the appendant Orders in the City of Philadelphia.

2. *Resolved*, That a copy of the foregoing Resolution be furnished to the Petitioners, signed by the Worshipful Master, and attested by the Secretary under the Seal of the Lodge.

3. *Resolved*, That the foregoing Report and Resolutions be entered at large upon the Minutes of this Lodge.

Extract from the Minutes.

[L. s.] E. H. BUTLER, *Worshipful Master*.

Attest: ROBERT McCULLOCH,
Secretary of Franklin Lodge, No. 134.

The Grand Lodge of Pennsylvania having, at a Special Communication, February 16, 1857, adopted a resolution by which its jurisdiction over the Templar Orders has ceased; also, a Joint Committee from the two Grand

Encampments of this State, appointed with full powers to act, having agreed upon Articles of Union, and adopted a Constitution on this, the 17th day of February, A. D. 1857, A. O. 737, we do hereby, agreeably thereto, endorse this as a Charter, under which its members may continue their labors.

Officers and Gentlemen Sir Knights comprising St. John's Encampment, No. 4, held in Philadelphia :

Holding your honorable institution in high estimation, I take the liberty through one of your members of presenting you with a Holy Bible. This Sacred Volume placed in such hands, will, I have no doubt, be of general use to your fellow-man.

I pray you, therefore, accept the same from your well-wisher,

ANN B. WINNEMORE.

June 8, 1821.

The Committee appointed on the last stated meeting to present the thanks of this Encampment to Mrs. Ann B. Winnemore, for her handsome present of a Bible, have attended to the duty assigned them.

GEORGE RUSSELL,
JOHN KENWORTHY, } *Committee.*
JOHN HORTON,

June 8, 1821.—The Committee appointed to furnish a suitable *Apron* report, That in their opinion, a *Black Apron with a white border* with suitable devices, and shaped as a triangle, would be the one proper to be

adopted. The report was accepted, and the Grand Encampment passed the following resolution:

Resolved, That the Members of the Grand Encampment be requested to procure suitable Aprons previous to the next annual meeting of the Grand Encampment.

Resolved, That no visitor shall be admitted in the Grand Encampment without a suitable Apron.

KEYSTONE COMMANDERY, No. 5.

IMMEDIATELY after the organization of the Pennsylvania Grand Encampment in 1855, the R. E. Sir William W. Wilson, Grand Commander, deemed it advisable for the interests of Templarism, that a Commandery be instituted in the City of Philadelphia. Accordingly the Grand Commander published the following notice:

An Encampment of Knights Templar, under the jurisdiction of the Grand Encampment of Pennsylvania, subordinate to the General Grand Encampment of the United States, will be legally constituted in the City of Philadelphia, on THIS (Monday) EVENING, April 23, 1855, at 7½ o'clock, P. M. It is expected that the Officers of the State Grand Encampment, and also of New York and Maryland, will be present. Resident and visiting Sir Knights in this city, who may be under the jurisdiction of the General Grand Encampment of the United States of America, are invited to be present. The reception room will be the parlors of the United States Hotel, Chestnut street.

W. W. WILSON, *R. E. G. C.*

On the 23d of April, 1855, Keystone Commandery was instituted by issuing a Dispensation to the following Sir Knights:

Sir James L. Bugh, E. C., No. 7.

Sir C. A. Wolfe, G., No. 1.

Sir Samuel Eakin, C. G., No. 1.

The organization of this Commandery was never perfected. The union of the two bodies being accomplished, the R. E. Grand Commandery circumscribed Templarism in Philadelphia to Commanderies Nos. 2 and 4, which were in a highly prosperous condition.

UNION COMMANDERY, No. 6.

A CHARTER was granted to this Encampment by the Pennsylvania Grand Encampment, dated May 10, 1855, during the Grand Mastership of the M. E. Sir R. Sterling Wilson. At the union of the two Grand Encampments it was subsequently endorsed by R. E. Sir William W. Wilson, Grand Commander, and M. E. Sir Anthony E. Stocker, February 17, 1857.

Union Lodge, No. 121, granted the sanction of its Warrant to open Union Encampment, No. 6.

LIST OF OFFICERS.

MAY 10, 1855, A. O. 737, A. O. E. P. 59.

Sir Thomas Balch, G. M.

Sir Charles F. Beck, G.

Sir William Camac, C. G.

All the minutes and papers appertaining to this Commandery, we learn, are in the hands of Sir A. E. Stocker, and regret our inability to procure them; his absence from the city on important business preventing it. However, after the union of the two Grand Commanderies, it returned its Charter to the Grand Commandery. We have given the officers and members as far as they could be obtained.

ST. OMERS COMMANDERY, No. 7.

ST. OMERS COMMANDERY, No. 7, is located in Brownsville, (but formerly in Uniontown), Fayette County, Pennsylvania.

On the first day of September, 1853, application was made for a Charter to the M. E. William Blackstone Hubbard, Grand Master of the Grand Encampment of Knights Templar of the United States, by Sir Knights Rev. Noble Gillespie, John Bierer, Andrew Patrick, James Piper, Rev. George B. McElroy, Richard Huskin, William Thorndell, Jr., William B. McMillan, and Robert Boyle, which application was recommended by Jacques De Molay Commandery of Washington, Pennsylvania.

In reference to the application for this Charter, Grand Master Hubbard, in his annual address at the triennial meeting of the Grand Encampment of Knights Templar, held at Lexington, Kentucky, in 1853, said it was the design of the petitioners, in unison with the other chartered Commanderies in Pennsylvania, that although but a brief time would elapse, the Dispensation should issue so as to entitle them to obtain a Charter at your present session, (for the purpose of organizing a Grand Encampment). As the time was too limited for that purpose, I deemed it best to refer the same to you for your appropriate action in the premises. The question was referred to the Committee on the Doings of the Grand Officers, whereupon Sir Philip C. Tucker, Chairman of the Com-

mittee, on the 19th of September, 1853, recommended that a Charter should be granted at the present session for the establishment of an Encampment at Uniontown, Pennsylvania. The recommendation was adopted, and *St. Omers Commandery* was organized December 14, 1853.

At the meeting of the Grand Commandery, held in 1858, it was *resolved*, That St. Omers Commandery have permission to remove to Brownsville, as a majority of the members resided in that neighborhood.

In 1860, R. E. Sir William H. Allen, Grand Commander, says: Having been informed that *St. Omers Commandery, No. 7*, stationed at Uniontown, Fayette County, had not reported to the Grand Commandery for the two years past, from the fact that Officers had removed and left the Commandery destitute of members expert in the work, and that the Sir Knights of said Commandery desired to be congregated, to hold an election of officers and to be instructed in the work and drill, I issued a Warrant to Sir Alfred Creigh to reopen said Commandery, hold an election, install the officers, and exemplify the work of the Orders.

In 1862, R. E. Sir John A. Wright, G. C., in his annual address, says: *St. Omers Commandery, No. 7*, having paid their dues, I issued a Dispensation to E. Sir Alfred Creigh to place this Commandery and her membership in their true position as Courteous Knights, by the election of officers which has been accomplished, and at their own request, and by a former resolution of this Grand Commandery, I gave authority for its removal to Brownsville, in said county, at which place exists a Lodge, Chapter, and Council, in a prosperous condition.

CONCLUDING REMARKS.

"The Temple's completed—exalt high each voice."

IN the preceding pages of this volume, we have endeavored to give the rise and progress of the Knights Templar, but more especially its introduction into Pennsylvania, and its history to the present time. This has been obtained from memorials in the Archives of the Grand Commandery of Pennsylvania, and through the kindness of many Sir Knights, in the various Subordinate Commanderies, who devoted their time in assisting me to procure truthful historical facts. My attention, however, has been called to a **REMARKABLE TEMPLAR FACT**, by Sir Sidney Hayden, author of "Washington and his Masonic Compeers," (a work which should be in the hands of every Mason), which I shall make the subject of the concluding chapter of this work, because it demonstrates that Templarism had an earlier origin in Pennsylvania, even than we had claimed, and almost coeval with the Declaration of Independence.

As early as 1782, the R. W. Grand Lodge of Pennsylvania published an edition of the Ahiman Rezon, (of which but few copies are extant), which was compiled by the Rev. Dr. William Smith, and dedicated on the 24th of June, 1782, to His Excellency, George Washington, "in testimony of his exalted services to his country, as well as that noble philanthropy which distinguishes him among Masons." To this work he added a Masonic sermon, preached by himself, at the request of

the Grand Lodge on the 28th of December, 1778, on which occasion Washington was present as a Mason, and is also dedicated to Brother Washington, "the friend of his country and mankind—ambitious of no higher title, if higher was possible." This Ahiman Rezon referred to, has a collection of Masonic songs, and among the number—

AN ODE ON MASONRY.

BY BROTHER LT. COL. JOHN PARK, A. M., P. M.

ADDRESSED TO BRO. COL. PROCTOR, K. T.

—— *Ab ipso**Ducit opes, animumque ferro.*—Hor.

FULL CHORUS.

Hail! celestial Masonry,
 Craft that makes us wise and free!
 Heav'n-born cherub! bring along
 The tuneful band, the patriot song:
 See WASHINGTON, he leads the train,
 'Tis he commands the grateful strain;
 See ev'ry crafted son obeys,
 And to the god-like Brother homage pays.

SONG.

Then give to merit what is due,
 And twine the *mystic bays*.
 In joyful strains his deeds renew
 And sing the hero's praise.

RECITATIVE.

While time brings mortal honors to decay,
 'Tis freedom gives, what time can't steal away.

SONG.

Unbend his brow from martial care,
 And give the patriot rest;
 Who nobly brav'd the storms of war,
 To make his country blest.

RECITATIVE.

Wake from the tomb the souls of martyrs free,
 To view this hemisphere of liberty;
 Let them with ravish'd eyes look down upon
 The glorious work perform'd by WASHINGTON.

SONG.

Then Brethren to my lays attend,
 And hail our Father and our Friend;
 Let Fame resound him thro' the land,
 And echo "*'Tis our Master Grand.*"

RECITATIVE.

Begin, ye sons of Solomon,
 Prepare the wreath for WASHINGTON;
 'Tis he our ancient craft shall sway,
 Whilst we with *three times three* obey.

SONG.

When evening's solemn hours pervade,
 We choose the still masonic shade;
 With hearts sincere, our *hands upon*,
 We bless the *Widow's mystic son*.

RECITATIVE.

For you, my friend, the inspired muses sing,
 Thou firm opposer of a tyrant king;
 Go imitate in fact our glorious head,
 And in the Lodge, O, PROCTOR, take the lead.

AIR.

I.

Support the Craft with honest pride;
 When in the field, our foes confound,
 Display your iron thunders wide,
 And strew the bleeding courses round.

II.

Let patriot fire strain ev'ry nerve, .
For WASHINGTON upon you smiles;
With him 'tis more than fame to serve,
'Tis fame with him to share his toils.

GRAND CHORUS.

Hail! celestial Masonry!
Craft that makes us wise and free;
Heav'n-born cherub! bring along
The tuneful band, the patriot song;
See WASHINGTON, he leads the train;
'Tis he commands the grateful strain.
See ev'ry Crafted son obeys,
And to the godlike Brother homage pays.

The author of this Ode was Colonel John Park, who was a native of Delaware, and born about the year 1740, and educated in the University at Philadelphia, under the care of Rev. Dr. William Smith, who was its Provost, and at the same time held the office of R. W. Grand Secretary of the Grand Lodge of Pennsylvania. Colonel Park served in the Revolutionary War under Washington, as Colonel; was at Boston and Valley Forge. He was one of the most active members of the American Union Military Lodge, which was instituted by the Grand Lodge of Massachusetts on the 15th of February, 1776, for the Connecticut line. Colonel Park had attained the rank of Past Master in this Lodge. He was a poet, and a volume of his literary productions was published after the war, comprising translations of the works of Horace, with original odes and poems of his own, ascribed to various American worthies.

The dedication of this ode to Colonel Proctor, proves that he was a Knight Templar as early as the 7th day of February, 1779, and also Worshipful Master of the Lodge, of which we shall speak more particularly hereafter. To Pennsylvanians, therefore, it is a subject of

deep interest, because from this fact we can trace Templarism to have existed in our State for a period of eighty-seven years. But the question to the inquiring Mason will naturally arise, who was Colonel Thomas Proctor? and what was his standing as a Patriot and a Mason? I reply, Brother Proctor filled all the prominent military offices from Captain to Major-General—was the intimate friend of Brother Washington, and the Masonic ties which bound them together were the efficient means of preserving their united friendship and brotherly love, which was only terminated by death. We base our remarks upon the facts, which we shall now submit, as sustaining us in our position, which we have derived from Sir Sidney Hayden; the History of Montgomery Lodge, No. 19, of Philadelphia, written by Brother George Griscom, P. M., and the "Pennsylvania Archives." Brother Thomas Proctor was the son of Francis Proctor, who emigrated to this country from Ireland, and became a member of Lodge No. 3. He was commissioned as a Captain of Artillery on the 25th of October, 1775, having raised the first artillery company in the State. This commission is signed by Brother Benjamin Franklin, President of the Committee of Safety.

October 3, 1776. He was commissioned *Major* to raise a second company of artillery.

January 17, 1777. He presented the State of Pennsylvania with a brass six-pounder which he had captured at Princeton.

February 20, 1777. He was appointed Colonel* of a regiment of artillery for Pennsylvania.

May 18, 1779. He was appointed by Congress a Colonel of artillery in the army of the United States.

April 21, 1780. Commissioned by Congress as Colonel of the Fourth Battalion of Artillery.

December 25, 1782. Commissioned by Congress as Major of artillery.

May 17, 1792. Commissioned by Governor Mifflin as Major of an artillery battalion of Philadelphia.

April 12, 1793. Commissioned by Governor Mifflin as Brigadier-General of the Militia of Philadelphia.

June 7, 1796. Commissioned as Major-General of the Militia of the City and County of Philadelphia.

On the 18th of April, 1781, Colonel Proctor resigned his commission in the army—was elected High Sheriff of the County of Philadelphia, and received from General Washington—the following letter, showing his estimation of him as a patriot and a soldier:

HEADQUARTERS, NEW WINDSOR, *April 20, 1781.*

SIR:—Your favor of the 9th did not reach me until the 18th. I am sorry to find that the situation of your domestic affairs renders it necessary for you to quit the service. It always gives me pain to part with an officer, but particularly so with one whose experience and attention have made him useful in his profession. I cannot, in justice to you, permit you to leave the army without expressing my approbation of your conduct upon every occasion since you joined me in 1776, wishing you success in the line of life which you have now embraced.

I have signified my acceptance of your resignation which bears date the 18th inst., to the Board of War.

I am, sir,

Your most ob't. and humble serv't.,

G. WASHINGTON.

While Colonel Proctor held the office of High Sheriff, he was appointed by the Grand Lodge, one of a Committee to distribute to distressed prisoners in the jail, funds appropriated by that Grand Body for their relief.

So intimate was the communion between Washington and Proctor, that in the trials of camp life they became endeared to each other; and as the crowning act in Brother Proctor's life, to perpetuate in everlasting remembrance the birthday of the immortal Washington, we find the following letter published in the Pennsylvania Archives:

PHILADELPHIA, *February 3, 1790.*

TO HIS EXCELLENCY, THOMAS MIFFLIN—SIR: I have thought it my duty to acquaint your Excellency and the Honorable, the Executive Council, that the 11th inst., (old style), will be the birthday of the Illustrious, the President of the United States of America, and should it be thought expedient by your Honorable Body to announce the same by a certain number of discharges from twelve-pounders, your Excellency will be pleased to signify the same to

Your Excellency's obedient servant,
THOMAS PROCTOR, *Major.*

To this circumstance, therefore, are we indebted for the initiative steps for the celebration of the birthday of Washington.

We have now established his military life, in which he devoted his services to the freedom of his country, and shall examine into his Masonic life.

The Provincial Grand Lodge of Pennsylvania was constituted June 20, 1764, by a Warrant from the Grand Lodge of England. In 1776, Brother Proctor was Worshipful Master of Lodge No. 2, (in which Lodge he received all his Masonic degrees, from Entered Apprentice to Knight Templar), and continued a member thereof, until the 18th of May, 1779, when the Grand Lodge of Pennsylvania granted a Charter to the First Regiment of Pennsylvania Artillery, and was No. 19 on

its Registry, (it being the same day on which he received his commission as Colonel in the Continental Army), but subsequently it was called Montgomery Lodge, No. 19, and is still in existence.

This was the first Military Lodge Warrant granted in the American Army by Pennsylvania. Colonel Proctor bore this Warrant with him in his campaign with General Sullivan against the Indians of Western New York, in 1779. And the first account of any work under it, was at Wilkesbarre, in the Valley of the Wyoming, where General Sullivan had the bodies of Captain Davis and Lieutenant Jones, who were slain and scalped by the Indians, taken up and reinterred with Masonic ceremonies. This was the first Masonic meeting ever held in that valley; and the procession of Brethren (says Hayden in his *Life of Washington* and his *Masonic Compeers*) that bore the bodies of their slain companions from their first resting-place in the forest, for a more decent interment at Wyoming, was attended by the regimental band, which played *Roslin Castle* on their march. This Military Lodge, on that occasion, met at the Marquee of Colonel Proctor. In 1794, a Masonic Lodge was chartered in Wilkesbarre, No. 61, by the R. W. Grand Lodge of Pennsylvania.

We have referred to the reinterment of Captain Davis and Lieutenant Jones; it will not be amiss to state that this service was held on the 18th of August, 1779, where a sermon was preached by Dr. Rogers, one of the Chaplains, from the seventh verse of the seventh chapter of Job—"Remember that my life is wind."

The progress of Masonry was thus following the footsteps of war in its advancement into the American wilderness, and like the shadows of an angel wing, softening the outlines of the path of war.

The sound of its gavel was renewed at old Tioga Point,

under a Warrant granted by the R. W. Grand Lodge of Pennsylvania, in 1796, for Lodge No. 70, which is still working but a few rods from where this Masonic service was preached at Fort Sullivan, in 1779.

In the Military Warrant of Lodge No. 19, Thomas Proctor was named as Worshipful Master, Charles Young as Senior Warden, and John Melbeck as Junior Warden. Brother Proctor has been represented as a man of great moral excellency, of unbending integrity, of pleasing urbanity of manners, of warm friendship, and possessing in a pre-eminent degree the Masonic virtues of patience and perseverance; fervency and zeal. With such qualities of heart and mind, he carried with him not only the glorious standard of our country, but the insignia of our Order, and on the tented field opened his Lodge *in due form*. Around that altar the immortal Washington, Lafayette, and the Masonic brethren of the army, would gather and take sweet counsel together as Masons, as patriots, and as citizens.

As a Mason, we find Brother Proctor addressing the Grand Master of the Grand Lodge of Massachusetts, as early as July, 1780, on the propriety of appointing Brother Washington as General Grand Master.

On December 27, 1796, Brother Proctor, with Brothers Smith and Duplessis, were appointed a Committee by the Grand Lodge of Pennsylvania to wait on Brother Washington, and acquaint him that the Grand Lodge would present an address to him at whatever time would be most convenient for him to receive it. Brother Washington appointed the subsequent day, and the Committee discharged their duty.

When the Grand Lodge of Pennsylvania was invited by Congress to join in the funeral ceremonies to do honor to the memory of Brother Washington, Brother Proctor, on account of the intimacy which always existed

between the Father of his Country and himself, was appointed *Master of Ceremonies*.

Colonel Proctor's name appears often on the records of the Grand Lodge of Pennsylvania. On one occasion, February 10, 1780, the record states, "Brother Proctor, Master of No. 19, has generously paid, as an acknowledgment to this Grand Lodge, £150, the receipt of which is acknowledged by the Grand Secretary. Brother Proctor also offered very satisfactory reasons for not attending the last General Quarterly Communication, having been detained by business of a public nature."

We now retrace our steps to Lodge No. 19.

When the Revolution was ended, and the R. W. Grand Lodge of Pennsylvania, on the 16th of October, 1786, had declared herself a Grand Lodge independent of any Foreign jurisdiction, the subordinate Lodges surrendered their Charters and received new ones in lieu thereof. The officers of No. 19 also petitioned the Grand Lodge for a new Charter, which was granted December 18, 1786, and was regularly constituted January 13, 1787, with Thomas Proctor as its Worshipful Master; Charles Young, Senior Warden, and J. Melbeck, Junior Warden.

Brother Proctor continued a member of Lodge No. 19, until his death, which occurred March 16, 1807, at the age of sixty-seven years, and his remains were buried with the usual Masonic honors in St. Paul's Episcopal Church burying-ground, on Third, below Walnut streets.

In the historical sketch of Lodge No. 19, I find the following interesting Masonic facts with regard to Brother Proctor, which I transcribe as worthy of preservation.

There is enough left to us to show that a full history of Colonel Proctor's connection with our Lodge would be one of rare interest, and full of instruction to the Craft. Information from sources undoubtedly authentic

has been received, that while the army under General Washington was in winter quarters at Morristown, New Jersey, in 1779-80, where Colonel Proctor had joined it with his regiment, the Lodge was there opened by him under this Warrant.

It is well known that the Father of our country, like Proctor, was an ardent Mason, as well as soldier, and gave his countenance to this Military Lodge. His friend and companion in arms, the young General and illustrious hero, the Marquis De Lafayette, followed the example of his Chief, and it is said, that he was here initiated into the mysteries of the Craft. There seems no room for reasonable doubt, that both of these illustrious personages were then and there visitors to, and participants in, the work of this Lodge; and the tradition is, that Washington presided at the conferring of degrees on Lafayette.

It is said to have been on this occasion that the jewels and paraphernalia of St. John's Lodge, No. 1, of Newark, New Jersey, were loaned to this Military Lodge under Colonel Proctor, while at Morristown.

The following entries on the oldest book of minutes of St. John's Lodge, are exceedingly important and valuable as the highest kind of evidence in corroboration of this interesting tradition.

"From the most authentic sources it is supposed the list of articles mentioned on the other side, was loaned to the Army Lodge, (No. 19), encamped at Morristown, for the purpose of initiating General Lafayette."

J. H. LANDELL,

Secretary of St. John's Lodge, No. 1.

[COPY.]

"An account of sundry articles taken out of the Lodge chest of Newark, St. John's Lodge, No. 1, by consent of

Brother John Robinson, Brother Lewis Ogden, Brother John Ogden, and lent unto Brother Thomas Henry and Brother Jerry Brenin, to carry so far as Morristown; said Brothers Henry and Brenin promising, on the word of Brothers, to return the same articles as per inventory below, unto our Brother John Robinson, present Secretary, when called for.

“Witness our hands, Brothers, below.

“Signed, THOMAS HENRY,
 JEREMIAH BREIN.”

ARTICLES.

“24 aprons; 2 ebony truncheons, one tipped with silver, (the other they are to get, if to be found); 3 large candlesticks; 3 large candle moulds; 1 silk pedestal, cloth bound, with silver lace, damask cushion; 1 silver key with a blue ribbon striped with black; do. level, with do.; do. square; do. plumb. 18 aprons returned.

“NEWARK, *December 24, 1779.*”

In a letter dated March 6, 1852, from Brother J. H. Landell, formerly Secretary of St. John's Lodge, No. 1, at Newark, New Jersey, are the following passages:

St. John's Lodge, being the oldest in the State, numbers among the members some few of the good and true men who passed through the fiery ordeal of the dark age of Masonry unscathed, and are now left to us as the preservers of the ancient usages and customs of our ancient and honorable Order. It is true we have but few of these ancient relics left us, and they are fast traveling the road “from which no traveler returns.”

Seeing the engraving of the tomb of Lafayette in your last number, calls to mind a statement of Brother Judson, of that great and good man. It appears when the American army was at Morristown, in this State, at

the time of the Revolution, Lafayette was Entered, Passed, and Raised to the degree of a Master Mason in the Army Lodge, of which Washington was *then* Master.

In Brother Alexander's History of St. John's Lodge, No. 1, of Newark, published in Brother Hyneman's "Masonic Mirror," vol. 5, it is stated that the work of that Lodge was suspended from 1772 until 1798; and that during this suspension, on motion of a Brother, the Lodge furniture was ordered to be removed to Morristown, for the purpose of holding Camp Lodges in the American army. At one of these Camp Lodges, it is said the immortal Father of his country presided, and during his Mastership, he had the pleasure of conferring the sublime degree of a Master Mason upon his illustrious friend, the Marquis De Lafayette. As there was but one Camp Lodge held at Morristown, the Lodge in which this work is said to have been done, must have been the one for which Colonel Proctor held the Warrant from the Grand Lodge of Pennsylvania, to wit, No. 19, now Montgomery Lodge, No. 19, of Philadelphia.

In truth so well established has the correctness of this account always been considered, that it has passed into history, and has become a part of the annals of the State of New Jersey.

In a volume entitled "Historical Collections of New Jersey, (by Barber and Horne), page 385, after mentioning that the American Army, under Washington, had its winter quarters at Morristown and vicinity on two different occasions, viz., in January, 1777, and 1779-80, the fact (plainly corroborative of our tradition) is stated, that while here, he, (Washington), attended the Masonic Lodge then held in Morris Hotel, in the room where the bar now is."

All honor, therefore, to the Keystone State, within

whose limits the representatives of the thirteen Colonies, on the 4th of July, 1776, promulgated to the nations of the earth, the eternal principles of civil and religious liberty, and declared that we are, and of right ought to be a free and independent people.

All honor to the Keystone State, that the Knights Templar within our jurisdiction has the historic evidence that on the 7th of February, 1779, Sir Thomas Proctor, W. M., of Lodge, No. 19, was acknowledged as a Knight Templar, and as a Pilgrim Warrior, battled manfully not only to protect the Temple of American Liberty, but the principles of Masonry and the Orders of Christian Knighthood.

All honour to the Keystone State, that on the 12th day of May, 1797, the FIRST Grand Encampment, ever organized in America, was duly constituted in Philadelphia, and the Grand Officers of this Grand Encampment, like the three Grand Masters of the Solomonian Temple, "laid the foundation thereof, very deep, not in great stones, costly stones, and hewed stones," but in the affections of every Sir Knight who labors to erect a Temple worthy of the principles of the blessed Immanuel. Realizing the truthfulness of every position we have assumed, conscious of the rectitude of our intentions, by making truth our aim, our object, and our standard, of justice and equity, we commit our work to the Members of the Masonic Fraternity, as well as those who have been taught the mysteries pertaining to the Orders of Christian Knighthood; and in the language of a Most Excellent Master, exclaim

Thy *Wisdom* inspired the great institution;
 Thy *Strength* shall support it, till nature expires,
 And when the creation shall fall into ruin,
 Its *Beauty* shall rise thro' the midst of the fire.

No Sir Knight of such Commandery shall be admitted into any other Commandery, nor entitled to the benefits of Templar Masonry, until he shall have paid to the Grand Recorder all arrears due from him to such Commandery.

ARTICLE IX.

The Rules of Order and general regulations of the United States Grand Encampment shall govern the proceedings of this Grand Commandery.

ARTICLE X.

In all cases of degradation or suspension, an appeal shall lie to the Grand Commandery.

DECISIONS.

MADE BY R. E. SIR BENJAMIN PARKE, GRAND COMMANDER.

PETITIONERS.

1857, *July* 16.—In Masonry, by Constitutional regulations in Pennsylvania, the petitioners for a *new* Lodge must “not be members of any Lodge” at the time of petitioning. In Knighthood there is no such law. Any Sir Knight, being a resident of this State, may be one of the petitioners for a new Commandery, and act in it, while it is under dispensation. When such new Com-

mandery obtains a charter, the petitioner should withdraw from one or the other; though I know of no law *requiring* him to do so.

CONFERRING ORDERS.

1857, *August 24*.—There is no Statute in our Order giving power to the Grand Commander to issue dispensations for conferring the Orders of Knighthood, out of the usual course, or waiving the provisions of By-Laws. A reason for this may be that no such power is necessary to accomplish the object you seek. There is no law of our Order which prohibits conferring the Orders *at the time of the application*, with the unanimous consent of all the members present. Unless, therefore, your By-Laws prohibit it, you can confer the Orders at the time you desire.

MEMBERSHIP.

1857, *September 21*.—It is not necessary to a membership in a Commandery, that a Sir Knight should belong to either a Blue Lodge or Chapter in Masonry. Templarism, or Christian Masonic Knighthood, *as an organization*, is entirely independent of Masonry. Its only constitutional alliance therewith, is the requisition that the Orders of Knighthood shall not be conferred upon any but a Royal Arch Mason.

BALLOTING.

1857, *December 11*.—There is no law in Masonic Knighthood *prescribing or requiring* the “ballot box,” or even a “ballot,” as the mode of ascertaining the opinions of the members of a Commandery, upon a proposition or petition for the Orders of Knighthood. Neither was there any such law in Masonry under the “ancient charges,” which simply provided that the members “are to signify their *consent* or *dissent*, in their own prudent

way, either virtually or in form, but with *unanimity*." The Constitutions or regulations of Grand Lodges generally prescribe the "ballot," and general usage, in both Masonry and Knighthood, is in favor of the use of the "ballot box," with white and black balls; which, being so well understood and so convenient, I recommend to be used in our Commanderies, especially and in *all cases* when it is asked for by any member present. But if, when the applicant was proposed, unanimous *consent* was given by all the members present, no one expressing a *dissent*, or asking for a ballot, he was legally elected, and you were right in conferring the Orders upon him.

PAYMENT OF DUES.

1858, *April 6*.—The dues to be paid by the Subordinate Commanderies to the Grand Commandery, are the sum of *two dollars* (now \$3), for each initiation, and the further sum of *one dollar* for every member of said Subordinate Commandery. The number of members are taken at the time the return is made. No difference between those made twelve months or twelve days before the return day. So, if any members had withdrawn, or been suspended, or degraded, at any time before the return day, they are not counted in the number of members for whom dues are to be paid.

OFFICERS UNDER DISPENSATION.

1858, *April 28*.—A petition for dispensation need not nominate officers, though it is usually done. The officers of a Commandery under dispensation are the appointment of the R. E. Grand Commander. The usage, in this State, has been for Commanderies under dispensation to adopt By-Laws and elect officers, to be named in their charter when granted. These By-Laws, together with all their proceedings, are returned to the next Grand

Commandery. If they are *approved*, and a charter granted, the officers named therein, if present, are installed, and take their seats in the Grand Commandery as members thereof.

CHARGES AGAINST A SIR KNIGHT.

1858, *June 2*.—Neither charges preferred against a Sir Knight in a Masonic Lodge or Chapter of which he is a member, nor his suspension or expulsion therefrom, upon a trial of those charges, will, of *themselves*, without a trial by his Commandery, deprive him of membership therein; nor do I think the legal doctrine of "*res judicata*" can be admitted in its full extent, in regard to the judgment of such Lodge or Chapter, so as to preclude the necessity or bar the right of a full investigation by the Commandery, upon the merits of the case. The strong presumption in regard to the proceedings should probably be that the trial was regular and the judgment right; but as it might turn out there was a mistake, or that some extraneous or undue bias had influenced or colored the proceedings, they ought not to be considered conclusive. Every Sir Knight is entitled to a fair trial by his *peers in Knighthood*, the social and moral code of which is, that of the highest style of Christian morality, a conformity to the whole moral law and the precepts of Him who gave us the great central rule of moral action, "As ye would that men do to you, do ye even so to them."

MADE BY R. E. SIR WILLIAM H. ALLEN, GRAND COMMANDER.

DUES AND FEES.

1860, *June 22*.—Commanderies *under dispensation* owe no annual dues to the Grand Commandery, but must pay the usual fees for persons receiving the Orders of Knighthood in them before receiving their charters.

MADE BY R. E. SIR CHR. F. KNAPP, GRAND COMMANDER.

HERMAN YERKES.

1860, *June 22*.—That Sir Herman Yerkes cannot visit Commanderies under this jurisdiction, until he shall be formally healed.

MADE BY R. E. SIR E. H. TURNER.

SUSPENDED SIR KNIGHTS.

1863, *June 10*.—That when a Sir Knight is suspended for non-payment of dues, the Grand Recorder being notified of it, the payment of his dues will restore him to good financial position in his Commandery; but to restore him to membership, he must make application in writing, which application shall take the usual course, and by a majority vote he shall be restored to membership.

MADE BY R. E. SIR H. STANLEY GOODWIN.

1864, *June 13*.—That it is right and proper to confer the Orders of Knighthood upon any number of applicants at one and the same time.

MADE BY R. E. SIR WILLIAM H. STRICKLAND.

1866, *June 12*.—On application from an E. C. for permission to re-ballot in case of several applicants for the Orders of Knighthood, who had been rejected, I decided that reference to the Grand Commandery was not necessary, as it is the privilege of the E. C. of each Subordinate Commandery to order or refuse a ballot at his discretion.

RESOLUTIONS.

REPRESENTATIVE.

1857, *June 22.*—*Resolved*, That hereafter no representative from any Commandery under this jurisdiction, unless their returns are made to the Grand Recorder, agreeably to the Constitution, shall be entitled to speak or vote in this Commandery.

MEMBERSHIP.

1858, *June 22.*—*Resolved*, That while this Grand Commandery recognizes the right of a Sir Knight, while a member of a Subordinate Commandery, to assist, with his name and presence, in the formation of another Commandery, *while under Dispensation*, without losing his membership in the former; yet, upon the reception of a warrant by the Second Commandery, the Sir Knight should ELECT in which Commandery he will maintain his membership.

DIPLOMAS.

1858, *June 22.*—*Resolved*, That the Grand Recorder is hereby authorized to issue a Grand Commandery certificate to any Sir Knight, upon the production and filing with him the certificate, in proper form, of the Subordinate Commandery to which such Sir Knight is attached, and on the payment of the usual fee.

PAY OF REPRESENTATIVES.

1858, *June 24.*—*Resolved*, That hereafter this Grand Commandery will pay but ONE Representative from each Commandery, (together with the actual expenses of the Grand Officers, when in attendance on each Annual Conclave).

P. GRAND COMMANDERS.

1859, *June 22.*—*Resolved*, That the necessary expenses of Past Grand Commanders, incurred in attending the meetings of the Annual Conclave, be hereafter paid out of the funds of the Grand Commandery.

OFFICERS ENTITLED TO VOTE.

1862, *June 10.*—*Resolved*, That P. Grand Commanders Allen and Knapp be instructed to report whether an E. Commander, who is a Past Commander, is entitled to two votes; and, also, whether a Grand Officer can cast a vote as such, and another for Past Eminent Commander, at the same time.

P. R. E. G. C. Allen made the following report on Masonic Law, which was affirmed by the vote of the Grand Commandery:

To the R. E. Grand Commander and Eminent Sir Knights of the Grand Commandery of Pennsylvania:

Two questions of law have been referred to the undersigned, and an opinion requested.

1st, Whether a Commander, voting as the representative of a Subordinate Commandery in this Grand Commandery, can lawfully cast another vote as a Past Commander.

2d. Whether an officer of this Grand Commandery, after voting as such, may lawfully cast another vote as Past Commander of a Subordinate Commandery.

The first section of the Constitution of this Grand Commandery contains a list of all the classes of persons who constitute this Grand Commandery. These are the Grand and Past Officers, the Commanders, Generalissimos, and Captain-Generals; and the Past Commanders of Subordinate Commanderies under this Grand Commandery.

It is expressly declared, that each of the *individuals* enumerated in this Section, shall be entitled, when present, to *one vote*.

As the word *individual* was evidently intended by the framers

of the Constitution to apply to *persons* and not to *officers* as such, the undersigned are of opinion that no officer or member of this Grand Commandery can lawfully cast more than one vote, except as holding one or more proxies for officers of his Commandery, or when the Grand Commander decides a tie vote.

The undersigned answer both questions in the negative.

The undersigned have found the Constitution so plain on these points, that they have deemed it unnecessary to fortify their opinion by referring to the usage of other Masonic bodies, all of which, it is believed, allow but one vote to one member.

Respectfully submitted,

WILLIAM H. ALLEN,

C. F. KNAPP,

P. G. Commanders.

TEMPLAR YEAR.

1864, *June 13.*—*Resolved*, That the 1st day of May shall be designated as the commencement of the Templar year.

PROXIES.

1864, *June 13.*—*Resolved*, That the Officers of Subordinate Commanderies in sending of a Proxy be required to conform to the prescribed forms.

SUSPENSION OR EXPULSION.

1865, *June 14.*—*Resolved*, That the Expulsion or Suspension of a Knight Templar by the Lodge to which he belongs, deprives him of all the privileges of Knighthood. Upon receiving official notice of the action of the Lodge, the Commandery to which he belongs should strike his name from its rolls.

FINANCES.

1866, *June 13.*—*Resolved*, That the Grand Treasurer be directed to purchase a book, in which he shall keep full and correct accounts of the receipts and disbursements of the Grand Commandery, and that said book

shall be the property of the Grand Commandery, and shall with the funds and other property of the Grand Commandery, be delivered to his successor immediately after installation.
